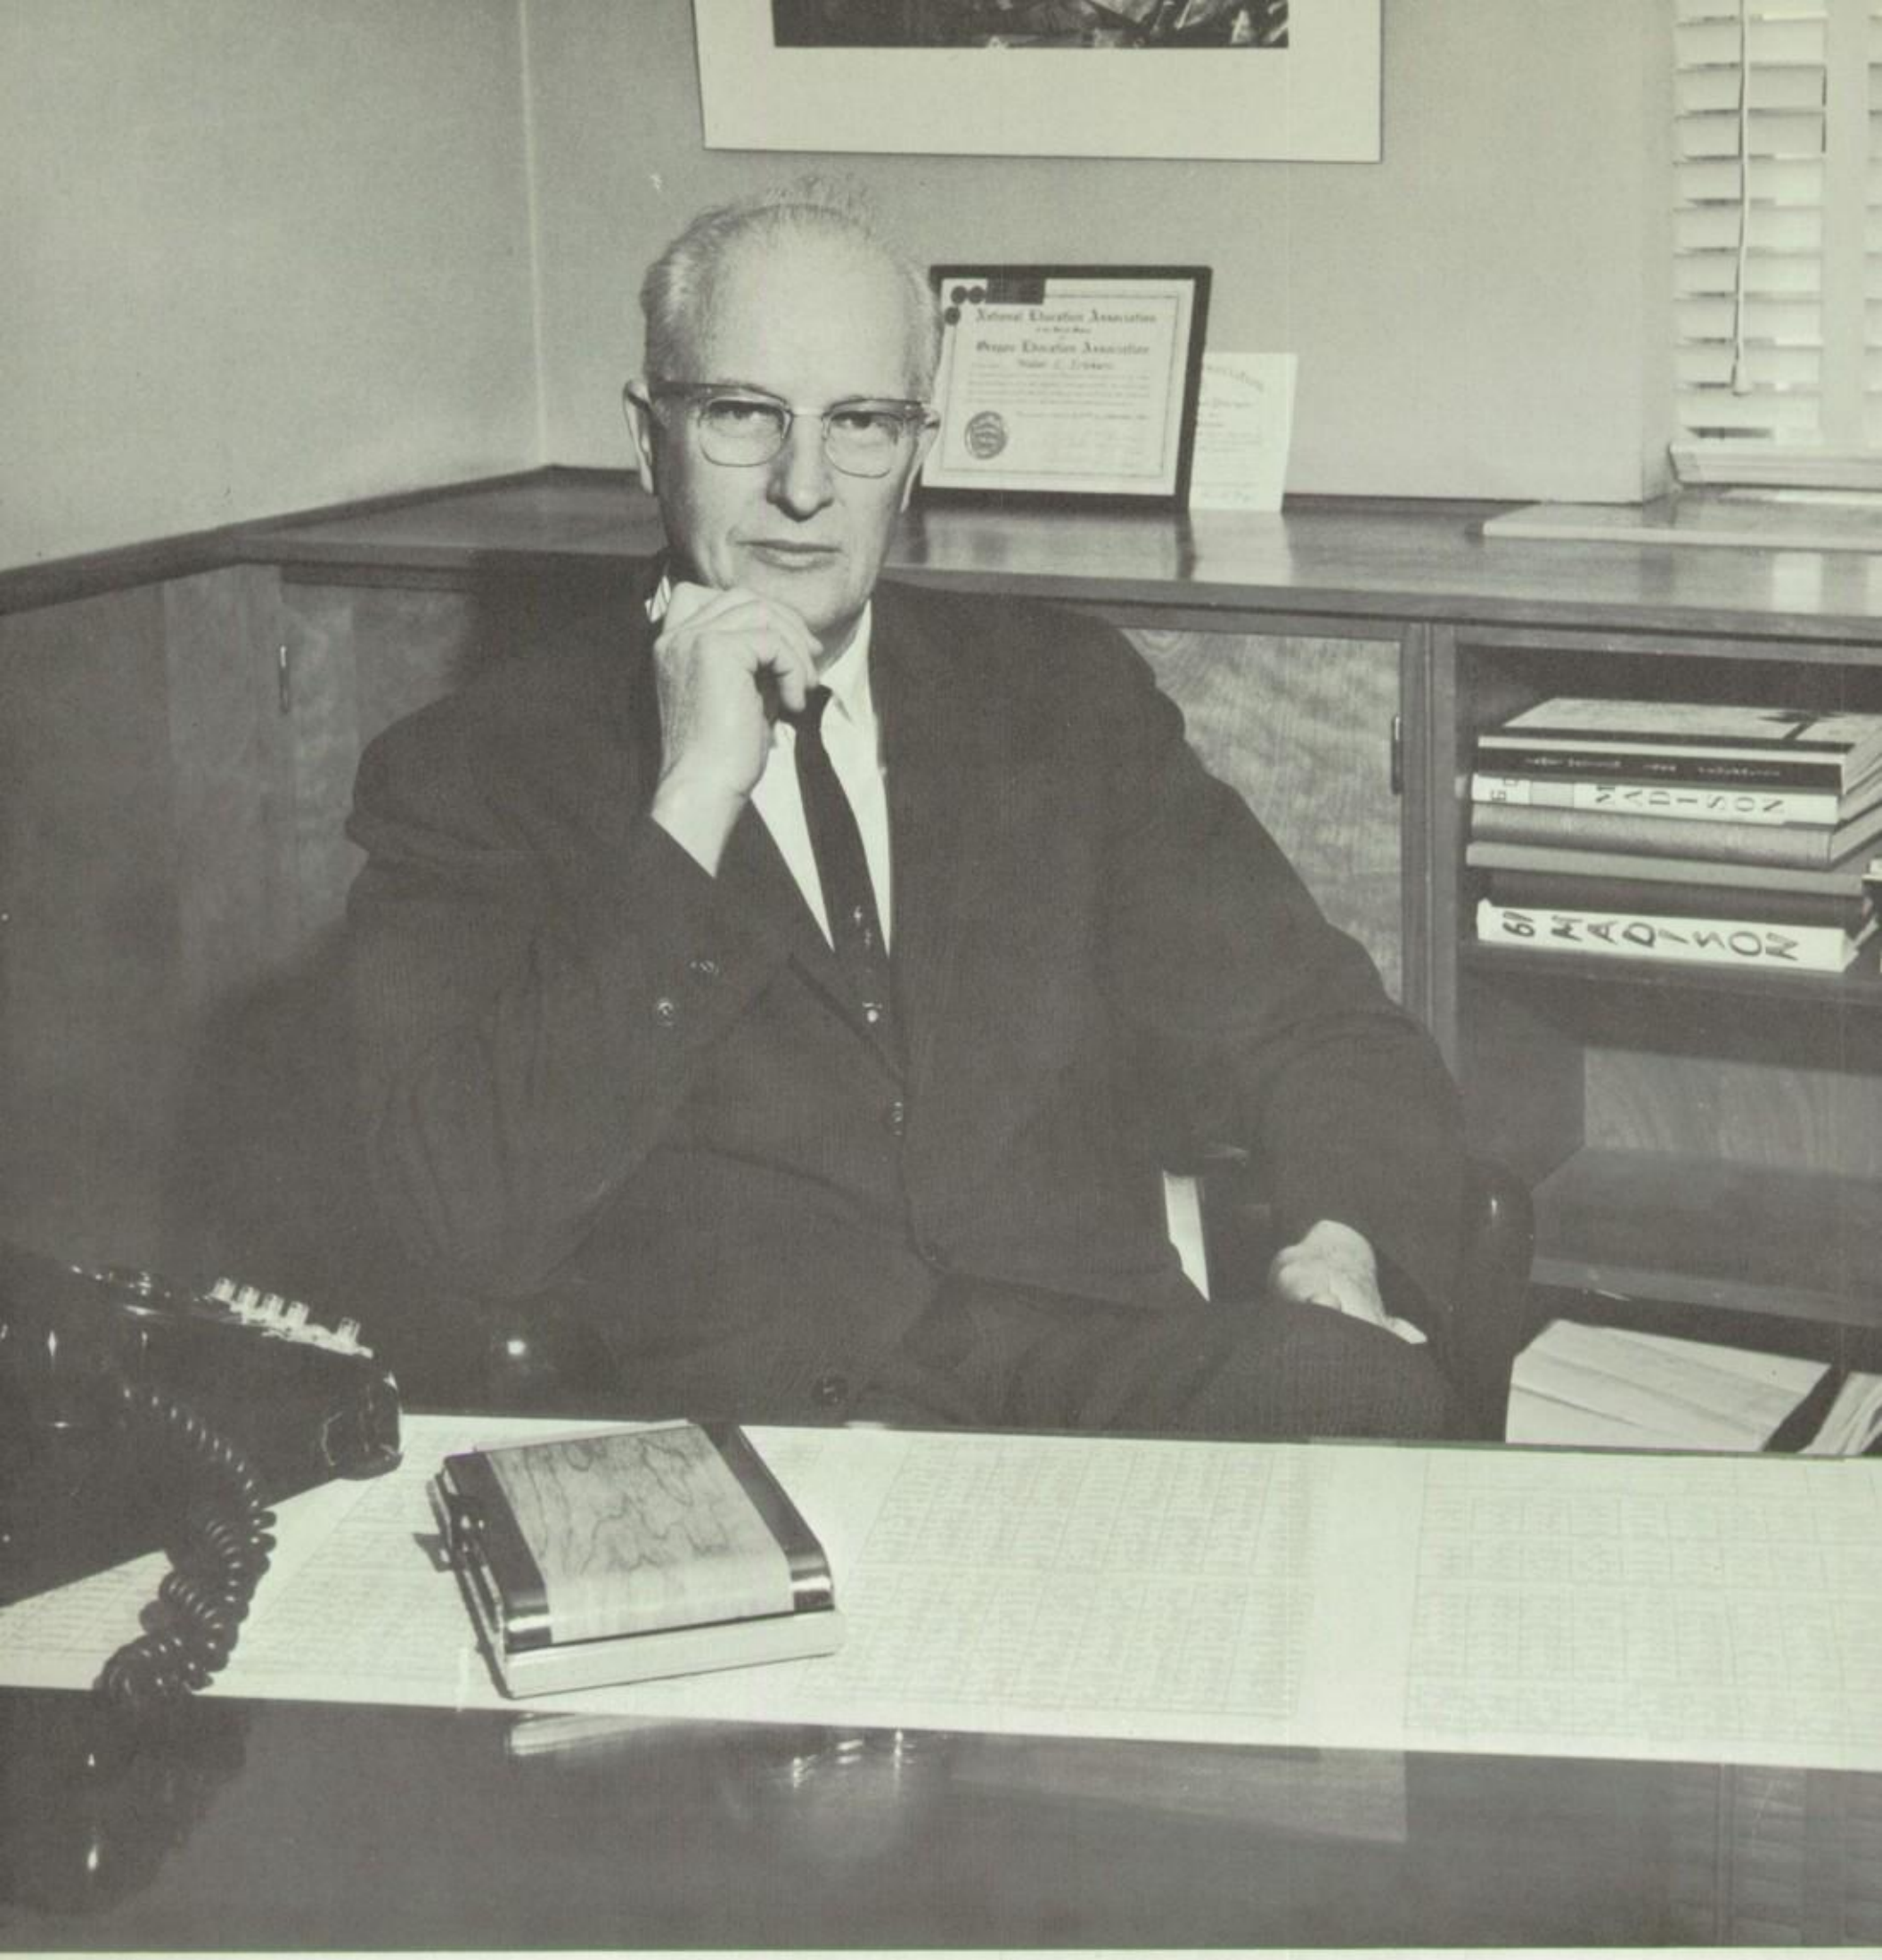
Faculty and Administration



Mr. Erickson, principal of Madison

Among many other duties Miss Dean advises Madison's Girls' League.

Administration

Madison has four administrators. Mr. Walter Erickson is the principal. Mr. Erickson has been principal at Madison for three years. Before Mr. Erickson became principal, he was Vice Principal for four years. During his seven years in office, he has contributed greatly to Madison's progress. Mrs. Sue Bushnell, the Curriculum Vice Principal, Miss Georgia Dean, the Dean of Girls, and Mr. Cyril Butterfield, the Dean of Boys, have been excellent assistants to Mr. Erickson.

The administration is concerned with everything that happens at Madison including the classrooms, the library, the student store, the new research center, the many student dances and activities, the purchasing of supplies and the many other responsibilities that keep Madison running smoothly from day to day.

Besides school activities, our administrators are concerned with outside happenings such as the Dad s' Club and P.T.A. They are on hand for opening night at a drama production or a music program. They are ready to speak at assemblies and chaperone dances. Few students realize the work that goes into being a member of the administration of a school as large as Madison.

Mr. Butterfield, Madison's Dean of Boys, also has many other responsibilities.

Mrs. Bushnell directs and evaluates Madison's curriculum.

All Students

The aims of the English department are to improve reading, writing, speaking and listening.

Provisions for individual differences are also included in a sequential course to include the main kinds of literature each year in narrative, dramatic and poetic. The study of at least one novel each year as well as the study of one Shakespearean play are also included. A sequential plan for poetry, from the narrative to the lyric poems, both American and British, is provided in this program.

There is also a successive program in the study of language, its nature and development. A major emphasis is put upon sentence structure in the ninth grade. This program includes a study of the dictionary in the tenth, dialect in the eleventh, and the history of the English language in the twelfth.

Composition has major emphasis: ninth grade, basic sentence structure in the context of a paragraph; tenth, additional sentence skills and a focus on paragraph structure; eleventh and twelfth, organization and development of longer papers with attention to more complex problems of rhetoric.

Speech has a definite order: ninth grade, forms of discussion . . . panel, symposium, forum; tenth, speech analysis; eleventh and twelfth, oral interpretation.

Department

It is the responsibility of the social studies department to present the heritage of our development as a nation of people. To this we must add knowledge of current processes that shape the present and determine the future.

As freshmen you established the beginnings of man; traced his development to our medieval society, then, having found that individual man recognized a much greater destiny, were able to follow him.

As sophomores, through the struggling societies and institutions of the world during the Renaissance the industrial revolution and the great wars.

As juniors you related our American heritage to its European foundations; developed an appreciation of the organization of our great government; traced the course of historical growth how we became the greatest nation on earth.

Then, finally as seniors you saw your own position: a participant both present and future. Participating as an individual: within groups, and as a breadwinner against others yet all backed by the might of a stable government.

You have arrived. You are ready for the world. Careful, we hope, recognizing your shortcomings but ever alert to your potential. Free now to grow in understanding and appreciation against my challenge.

Social Studies and English

The two-period Combined English-Social Studies class attempts to "bridge the gap" between elementary and high school by serving as a home base for freshmen.

English goals include student proficiency in reading, writing, speaking and listening. Grammar and usage of English are stressed as well as literature. "The Odyssey," "Midsummer Night's Dream," "Rime of the Ancient Mariner," "Huckleberry Finn," "Boy on Horseback" from the "Autobiography of Lincoln Steffens," "Abe Lincoln Grows Up," and "The Yearling" may be offered as class selections.

Social studies units include Orientation to High School and an introduction to geography and history, civilization and culture, history of Europe (1450-1900), Asia, Near East, North Africa, Africa south of the Sahara, and Latin America. The historical, social, political, geographic, cultural, and economic aspects of these areas are studied.

Students

The members of Madison's mathematics department want to teach arithmetic, algebra, geometry, trigonometry and some analytic geometry to all students who can benefit from studying these subjects and are interested in doing so. The traditional content of these courses are not basically changed textbooks we have chosen to use in the School Mathematics Study Group. The big difference is in the way the content is taught. The SMSG courses attempt to teach you more than just how to do it; they also attempt an honest explanation as to why you do it this way. They also attempt to organize the material so that all courses and parts of course are logically related, from the ground up. In each of the last four years, we have extended the SMSG material to one more course. This year the SMSG program includes all second year algebra classes after being on a trial basis in this subject last year. We have one SMSG senior math class on a trial basis this year. In our arithmetic classes, we are either trying to improve your understanding of the arithmetic you studied in grade school, or else show you various new ways to use the arithmetic you have learned.

Biology, Chemistry, Physics

The major curriculum change during the coming year shall be the beginning of a possible four-year sequence primarily for science oriented students — those interested in future careers in science, science related subjects, or engineering.

These students, who start as freshmen, will begin with an exploratory course in general science which shall consist of twelve weeks of biology, chemistry, and physics — each area taught by an appropriate specialist.

We hope to keep these people together as a group when they go into biology, physics, and chemistry in that order. This sequence is the preferred order for science courses, but exceptions are possible if prerequisites are fulfilled.

We look forward toward a two-year integrated, team teaching combination of physics and chemistry. We hope this shall become a reality in the not too distant future.

We also hope in the future to be able to offer a general chemistry course which would have non-technical emphasis on ideas and applications of chemistry.

World Cultures

French, German, Latin, Russian and Spanish are the five languages offered at Madison. For the most part a four-year sequence is offered. However, since some students start language study in elementary school, we do have several enrolled as fifth-year students. Approximately one-third of the student body is studying one or more foreign languages.

With the aid of the language laboratory, tape recorders and record players, stress is placed on an audio-lingual approach to language learning.

Films, recordings of poetry and plays, and a wide selection of library books all serve as enrichment material. From time to time native speakers in the community serve as resource people in some of the languages.

Teachers as well as students, continue the process of learning and several in the department have traveled and studied in one or more countries that speak their respective language.

Business Education

Business Education has value for every student. It gives students a better understanding of our economic system. Even though a person does not enter the world of business vocationally, business education experience will be of value to him in his private life. It encourages greater efficiency in one's own personal business affairs.

For those students wishing to enter the business world, opportunity is provided to develop the specific skills necessary for successful employment.

The purpose of the Physical Education Program at Madison is to aid in the development of the student to his fullest potentialities in physical growth, neuromuscular development, emotional control and social awareness. It provides opportunities to acquire skill in varied activities, opportunities to develop leadership, and fellowship and is conducted to give a sense of achievement and enjoyment through participation.

The objectives of Physical Education at Madison is to teach the student self realization, human relationships, civic responsibilities, and economic efficiencies.

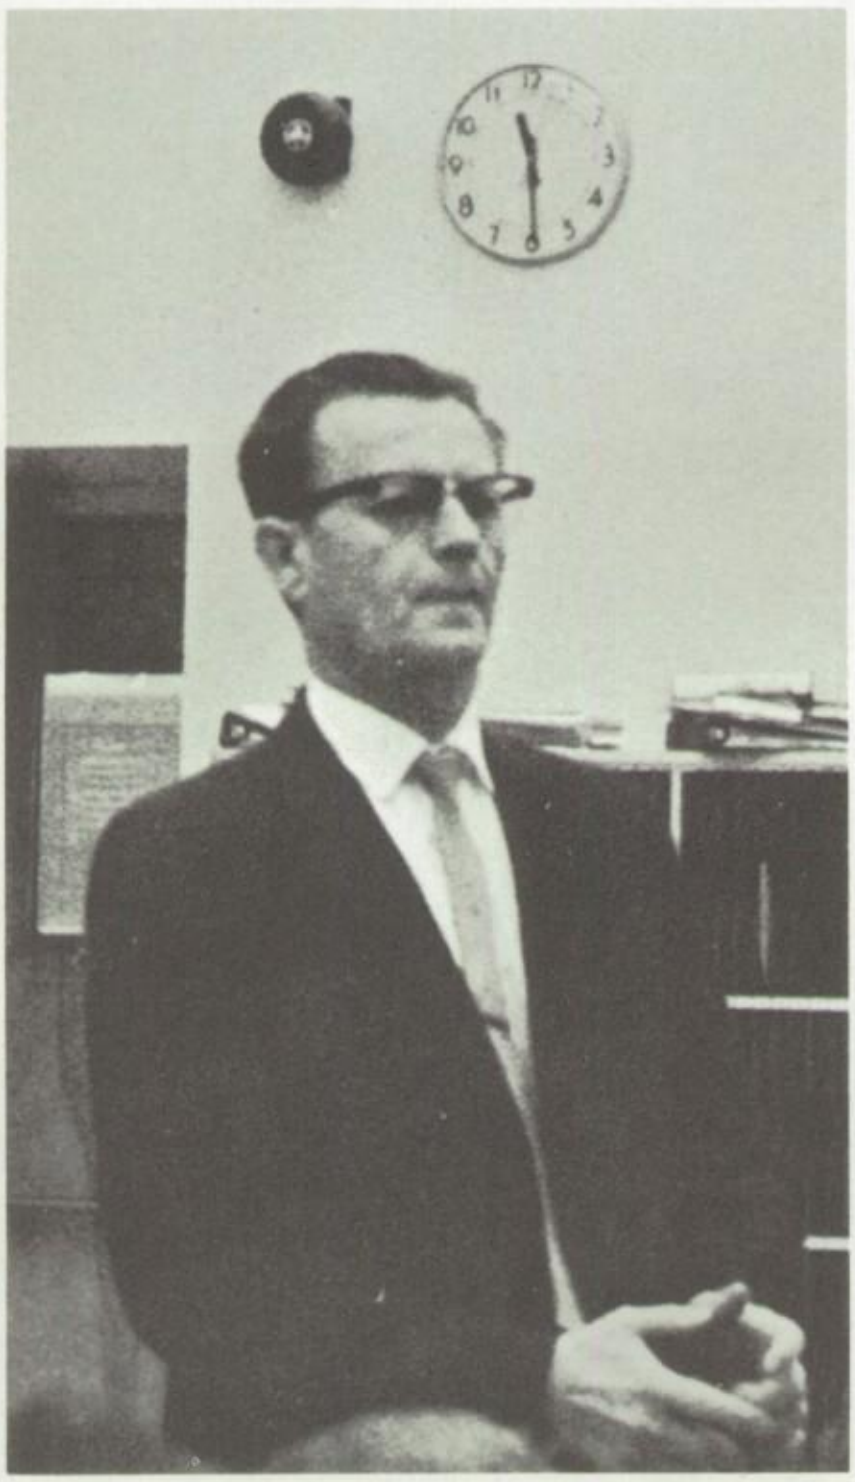
A Creative World Opened



Mr. Edmiston is music department chairman.

Madison High School is proud of its music department. The performing groups consist of the orchestra and band directed by Mr. Norman Street, and the choir, Chansonettes, male chorus, and girls' glee directed by Mr. Joseph Edmiston. The orchestra, band, and choir, are among the finest and have appeared in many school functions, besides representing Madison on the many occasions throughout the city this past school year.

Besides performances, the department is concerned with background information in music understanding. The excellence of performance is in direct proportion to the understanding of the music performed. All music reflects the period, the country and the composer from which it came. A knowledge of this is as important as the notes themselves. Without this information, interpretation is nil.

Another very important part of this department is the very fine course in Music Understanding taught by Mrs. Karma Hughes. This is a course emphasizing in learning to listen to good music. From this comes an increased understanding and appreciation for all kinds of music.

In the classroom we give our students experiences that are related to past as well as contemporary art. We lead them to discover to what extent they can develop an independent and personal approach in their own work, and to help them gain an appreciation and understanding of it.

We expose the student, to new ways of viewing and creating through art experiences designed to offer a high standard of artistic achievement. Our courses are designed for both pleasure and as background for more serious study.

We offer the following classes in which we carry this out: Art General, beginning and advanced; Design; Crafts; Ceramics; Art Metal, beginning and advanced; Commercial Art, beginning and advanced; EE Art; Art Staff, Art Staff Yearbook; and Understanding Art.

The achievement of each student may be utilized by him for the purposes of:

(A) expanding his awareness as a contributing industrial society
(B) enhancing his personal-social development
(C) earning a living.

Education

Madison is one of the few high schools in Oregon to offer co-educational home economics classes. There are 552 students, 87 of whom are boys, enrolled this year in the home economics department.

Home economics is an extremely broad field that is aimed toward preparing young moderns for the life he or she will lead as an adult. Included in the study are these basic areas: relationships and personality development; meal planning and preparation; money management, family finance and housing; child care and development; and clothing and grooming.

With the demands of the present and near future in mind, the program endeavors to offer guidance necessary to a complete and well-rounded individual. In addition to this, home economics offers training in the most important part of life — that of becoming a successful family member and an informed, modern, and efficient husband and father or wife and mother.

Student Life

After hours, Madison proves to be more silent than one would suspect.

Happiness is . . . . . .

Madison's flags wave from sunrise to sunset.

The statue of James Madison greets many of the students who enter by the front entrance.

The lower parking lot shows only a fraction of the drivers at Madison.

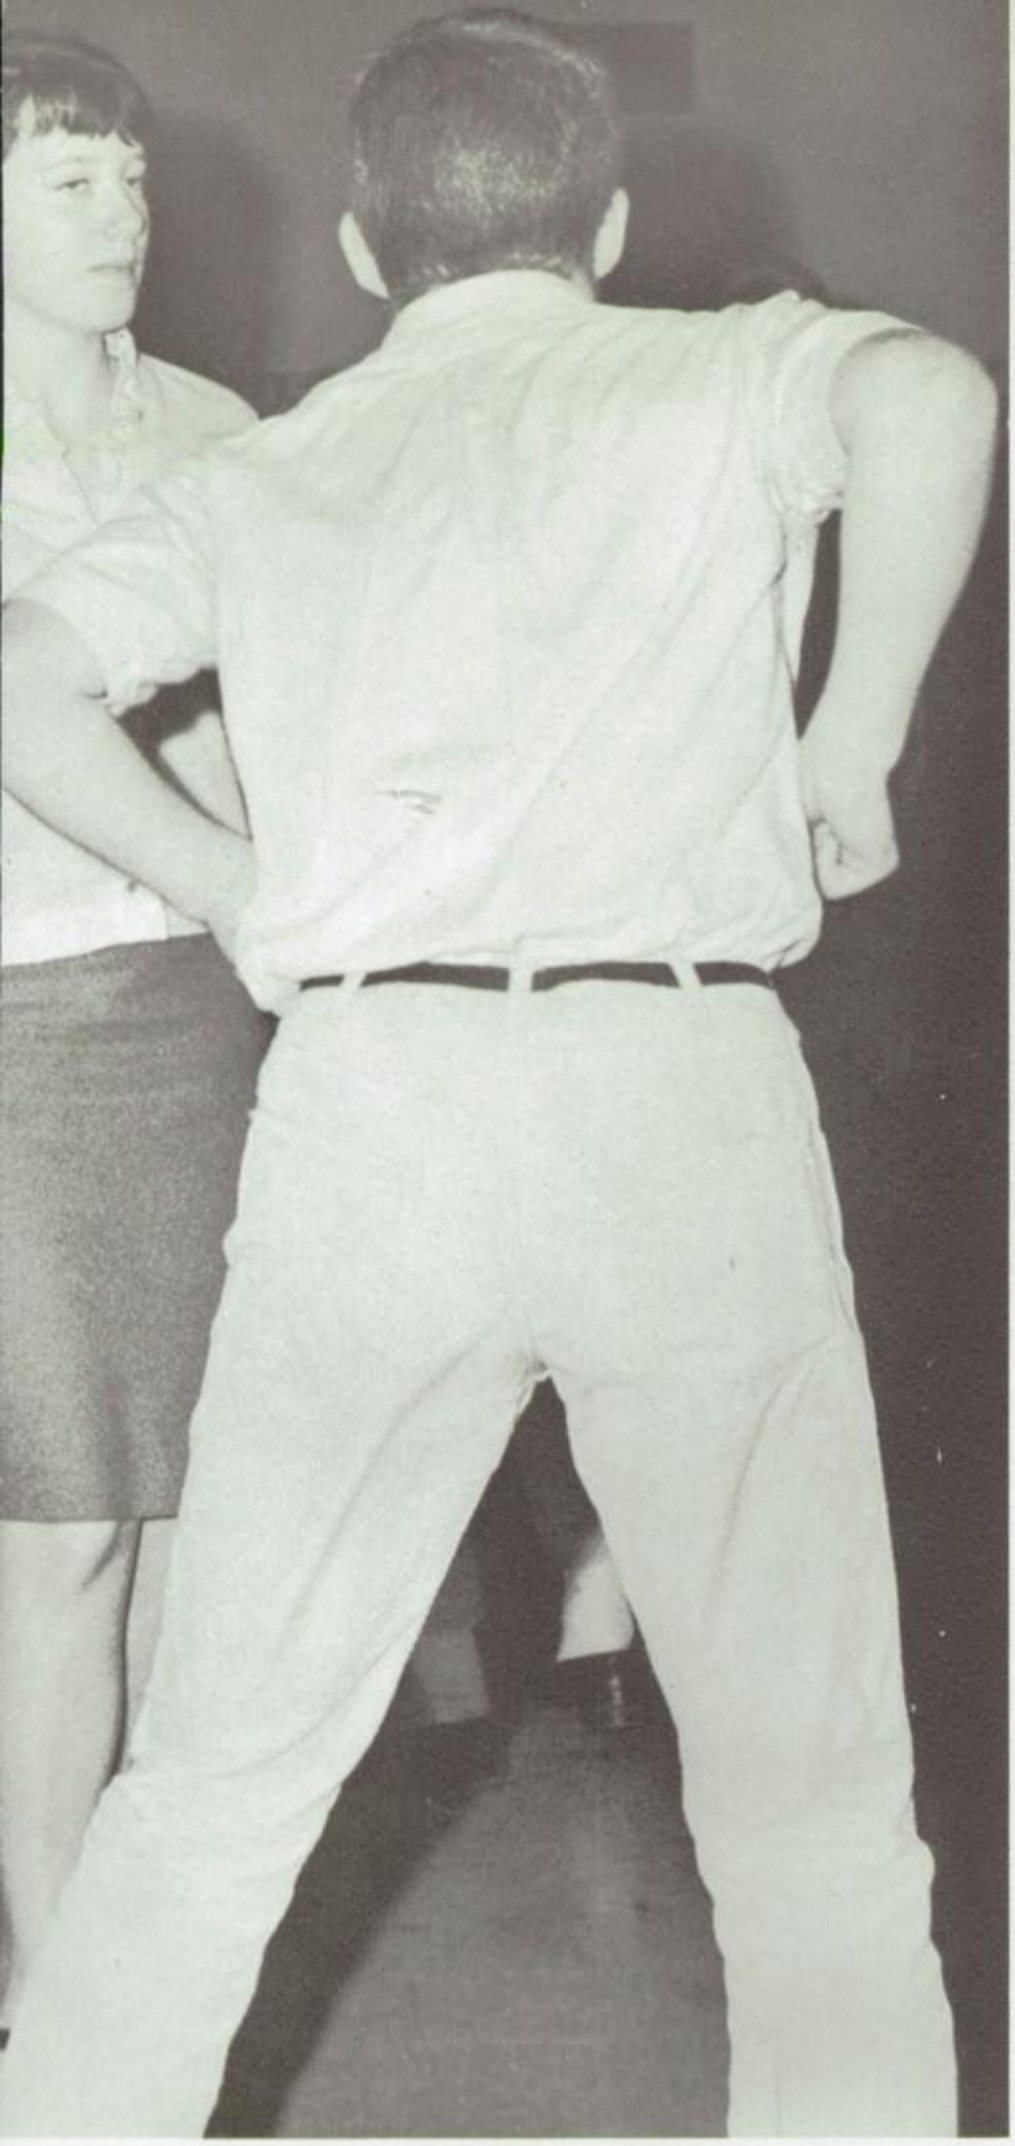
. . . Madison High School . . .

Most of Madison's students take the buses to and from school.

Music is said to soothe pain, but the students above are already obviously feeling none.

. . . . Social Activities . . .

Whether modern dancing is for better or worse is a good question. Dancing provides healthful, active entertainment for many students. Madison's agenda balances on a merry-go-round of dancing after, during and instead of most of our other activities because it seems to be the only type of entertainment that's not illegal and is generally received with enthusiasm. The school encourages it by providing a dance for any occasion and as often as practical.



Oh darn! Mom starched my pants again!!

"Itsy-bitsy spider . . ."

Perhaps, with a little more participation, our dances will gain in popularity in the coming years.

"Togetherness is all right, but this is ridiculous."

. . . . Togetherness . . . . .

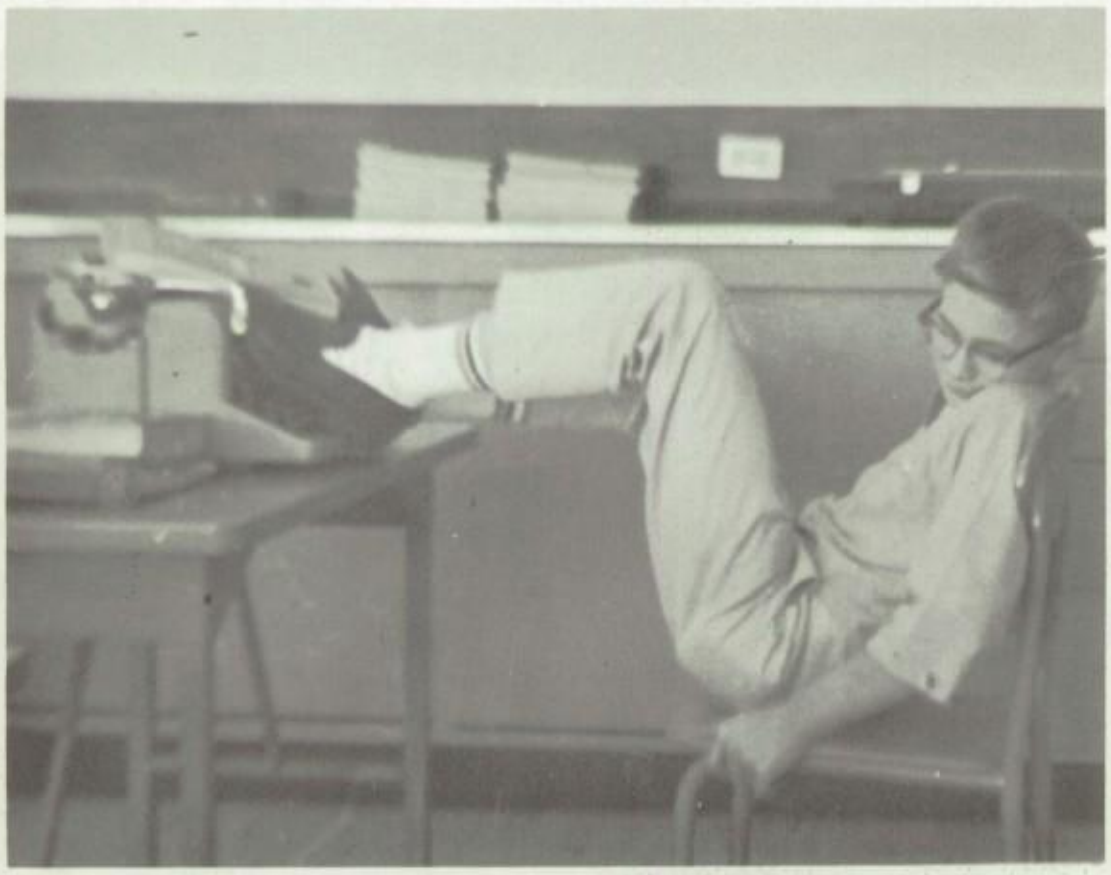
"Look! We're on 'Candid Camera!'"

"You know something? I think we're being followed."

"I wonder if there are any left-overs?"

She loves me, ya, ya, ya!

. . . . . Learning and . . .



"Z-Z-Z-Z-Z-Z-Z-Z-Z-Z-Z- Z-Z-Z-Z-Z-Z-Z-Z-Z-Z-Z- Z-Z-Z-Z-Z-Z-Z-Z-Z-Z-Z- Z-Z-Z-Z-Z-Z"

"I better test it on the rats first."

"$10.00 worth of tickets and I can't find the elevator!"

"As an outsider what's your opinion of the human race?"

Jack and Jill went . . . .

Confident of a victory he prepares for the meet.

Doug Tonn achieves big goals in another field.

. . . . Love of Sports.

Madison's spirit promoters.

The victorious ending of a great season.

Staffs and Organizations

LAURA DRAIS
Editor-in-Chief

Once again the **FEDERALIST** Staff has completed the largest book in Madison's history. The 1965 **FEDERALIST** has 336 pages, a 12-page increase over last year's book. This includes eight full-color pages.

The largest sections in the book are sports with 46 pages, seniors with 48 pages, and activities with 35 pages. A new section which was added this year is the candid section entitled Student Life. The faculty section was decreased in order to give more space to the students.

The yearbook was under the authorship of Mrs. Ellis, the journalism instructor and Mr. Hughitt, an art instructor. The staff members are made up of 13 seniors and 14 juniors. This does not include the two art staff members and the nine photographers.

Working on the yearbook requires many extra hours besides the class period in order to meet deadlines. These hours were spent in piecing copy, correcting names, thinning glue and pasting down pictures. It wasn't all work, there was just as much fun, and I'm sure everyone enjoyed it.

Art Staff Beautifies Halls

ART STAFF: Ed Carter, Marion Mason, Peggy Gildner, Jan Hall, Joy McClellan, Gail Peden, Edna Hopkins, Ann Witchel, and Brad Nelson.

Ann Witchel plans an A.F.S. poster for an assembly.

The people who work on the Art Staff are picked by Mrs. Fultz on the basis of several things; these are co-operation, lettering ability, personal integrity and the ability to work alone. It is important that members of the Art Staff be imaginative and creative in their work. Mrs. Fultz stated that this group was very pleasant to work with.

The Art Staff consists of nine people who undertake many projects such as making posters for football, basketball, all dances, club activities, posters for the counseling area, and both drama productions "Pillow Talk" and "Tiger at the Gates." Not only the drama and music department receive posters from the Art Staff, so does the Executive Council, Boys' and Girls' League, the Athletic department, Rally, Dads' Club, P.T.A., Library, and National Honor Society.

The number of posters the Art Staff has completed during the year for all of the school organizations was about 300. The Art Staff concentrates its efforts on school functions only.

All the work seen in the halls is done by the Art Staff. The school bulletin boards are done by the staff to bring color and interest to the school and to show that these posters are done by people with an artistic background.

The Madison Art Staff has proven itself to be a very efficient group, and a staff in which all Madison students can take pride.

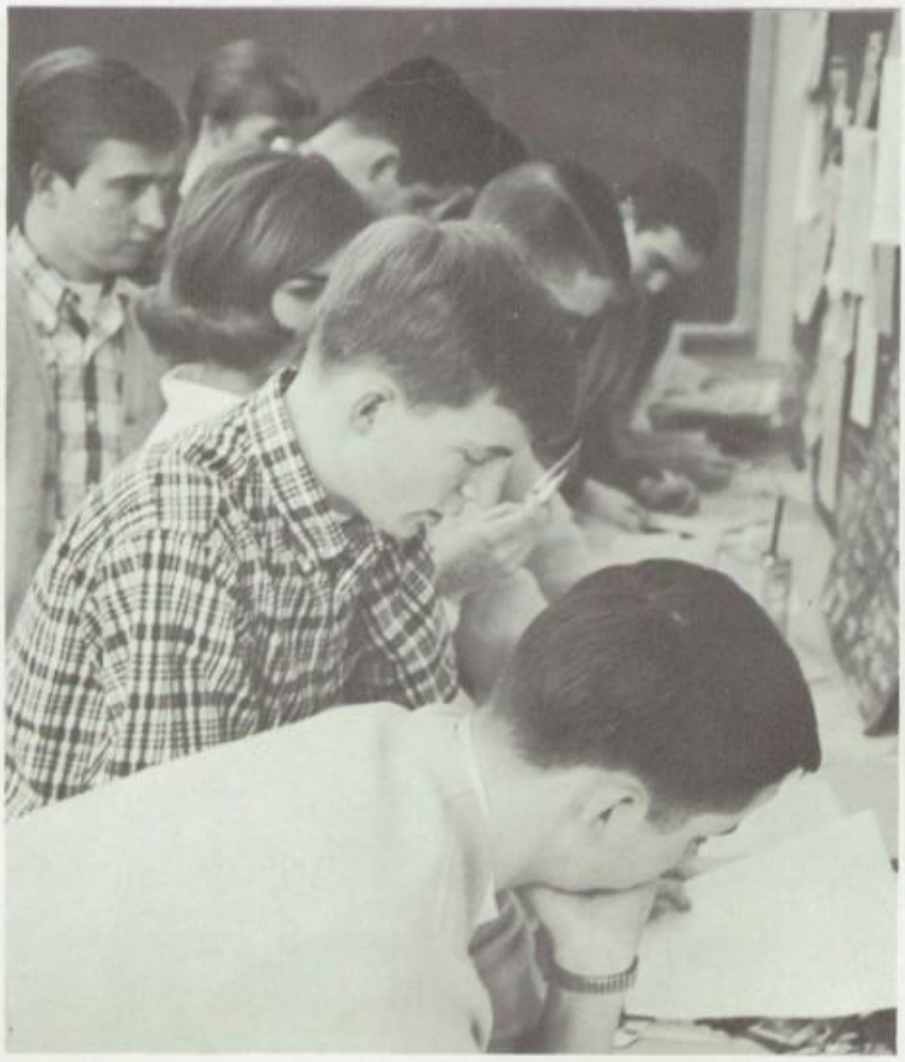
Busy staffers rush every week to meet deadline.



The **Constitution** this year operated under a new two-staff system which put out a weekly paper. Before the end of the year, Madison students will have received 30 four-page issues and six which had six or eight-page issues. This requires a minimum of $80 in advertising to be sold for each issue. Because this was not always possible, the **Constitution** suffered financial difficulty throughout the year.

Madison and Grant were the only schools in Oregon putting out a weekly paper with a tabloid format. The two staffs with the help of Mrs. Barbara Ellis, the adviser, worked toward making the **Constitution** as good as a paper put out by professionals. This includes the areas of writing, pictures, news-coverage and general make-up.

To induce staff writers to write first-rate headlines a Green Stamp award was given. This is an authentic Green Stamp mounted on a piece of paper with the winning headline and the writer's name. To get this award a headline must be specific, fit well, and be gramatically and dynamically perfect.

The 44 staff member and nine photographers worked under Cheryl Green and Lucy Igou for both the fall and spring terms. They tried to cover all of the news and important events around Madison this past year.

To make better editorials, everyone on both staffs was required to turn in three ideas each week. These ideas were given to a group of eight people, four from each staff, and they decided which ideas would be followed up.

Mrs. Elsie Skonnard is the nurse at Madison. She has a very busy schedule and is only here on Monday mornings , all day Wednesday, and Friday afternoons. She takes care of the many emergencies and illnesses which are frequent in a school as large as Madison.

Bookroom and Library

Mrs. Kernan has a busy schedule in the book room.

Madison's three librarians are kept busy keeping track of some 18,500 books in the library. Mrs. Constance Wickwire had help from Mrs. Marian Smith and Mrs. Retha Brown. The library is not only available to students during their study halls or spare time, but many teachers bring their classes to the library during the class period. A few students have given up their study halls to help in the library. These student librarians learn the mechanics of the library and do much of the busy work.

Mrs. Peggy Kernan keeps the bookroom running efficiently and orderly. All the books that are used in classrooms are repaired and kept track of by Mrs. Kernan. A few students help Mrs. Kernan by spending their study halls in the bookroom.

Book Room Assistants: First Row: Nora Winegar, Mary Landon, Esther Adler, Lorna Burnside, Mrs. Kernan, Connie Baker, Karen Ambrose. Mrs. Jesse Smith coordinates the many duties of the Student Store.

Madison's Student Store has Mrs. Jesse Smith as an advisor and she is aided by Madison students who volunteer their time through their study hall to work in the Student Store. The Student Store is open before and after school and during the lunch periods. All school supplies and several paperback books are available here.

Students of Madison are dependent upon the Student Store because it is most convenient in aiding students with the many supplies they need for school.

Resource Center

Miss Jan Thomas works to provide a study atmosphere for the students.

Mrs. Nancy White finds time to do mimeographing for teachers.

The English-Social Studies Resource Center is a new addition to the Madison educational facilities. It is an extension of the library and offers supplementary material — books, tapes and filmstrips in the fields of English and Social Studies. The Resource Center is supervised by teacher-aides. Many students take advantage of this quiet area by spending their study hall and leisure time using the many resources available.

Mrs. Wanda Beachell is available to help students look up information.

Smith Heads Fall Council

The Fall Executive Council prospered greatly during its term due to the increased amount of participation from both the students and other organizations. The UGN Hootenany was a good example of this participation as over 1,200 people attended, enabling Madison to contribute $605.08 to United Good Neighbors from just this one event. Another one of the well-received event was the canned food drive, each class competed to see who could bring the most food.

The Council has put forth a strenuous effort to improve the traditional activities along with making the new ones the best possible. To insure further success, two evaluation committees were formed. It was their responsibility to evaluate all activities and to offer suggestions on how to better the projects still being planned on the basis of their observations. A file of their reports was also made for the use of further cabinets.

The Fall Council instigated the first exchange program in the city of Portland. Eight members of Executive Council spent a week in Vancouver, British Columbia, observing how another school system functions, in return eight Canadian students observed our system. It is hoped that this program can become a tradition because it showed the students ability to share ideas with foreign people.

The Council would like to give a special thanks to Mr. Olsen for the great job he has done in helping us, we hope that our combined efforts have benefitted the entire student body.

Tonn Promotes Spirit

The Spring term of the Executive Council was characterized by hard work, dedication, and thought on the part of all of its members. In addition to fulfilling their standard duties, the Executive Council devoted time to the study of parliamentary procedure, the theory of leadership, the science of problem solving, and a visit to the state legislature.

To make the Student Government system more efficient, we carried out a program of broadened education of the student body through an assembly, and of the reg. representatives through a leadership workshop. We felt that increased knowledge would give students more self-confidence and interest, and would prompt them to make use of the program's potential.

This spring the Council presented a plan for an immense "Student Center" to be located beneath the gym to aid us in constructing the plan we visited and studied student unions at state universities in addition to studying high school student lounges. It will be some time yet before any of the several plans as to how best use the space will be accepted. Even if our plan to build a student center there is finally accepted, it would still be several years before it could be completed. But the important thing is that a start was made.

The key quality which we attempted to practice ourselves and instill in the student body this spring was responsibility. The Executive Council as a whole and as individuals, strived to accept and fulfill our responsibilities to the school, the community, our offices, and our fellow students. We accepted the goals of the student body as outlined in the school constitution, and recognized, perhaps for the first time, that it was our responsibility if students lacked any of the qualities which we are to promote, especially citizenship. Of course we did not merely settle for the blame for shortcomings in students and ourselves and the student participational system, but set out to mend them.

Fall Girls' League

YVONNE REDINGER
President

Last fall the Girls' League cabinet made an effort to finish projects previously started. The last two mirrors have been installed in the lavatories; also, the water wagon was completed and presented to the football team. The water wagon will be dedicated next year at the first football game in the fall.

The Girls' League sponsored the first powder-puff football game late last fall. With the help of the women's physical education department and the acting coaches, Karen Jacoby and Jeanne Berardino, the game was a great success. Following the game, a Hen party was given by the freshmen and sophomore girls in honor of the junior and senior teams.

The remainder of the fall term was spent in the organization of the traditional Girls' League projects. These activities include the Freshmen-Senior girls' party, the Lollipop Hop and the Sweethearts' ball. It is hoped that we will be able to put on a Hooperoo again this season for it was received well last year.

Fall Girls' League accomplished what it set out to do. The girls want to give special thanks to Miss Georgia Dean for the hours she has devoted to us.

Spring Girls' League

This year the Spring Girls' League has continued many former traditions including the selection of the Girl of the Month, the Easter Lily sale and Girls' League week. The cabinet slogan was "Achieving much and aspiring more" for the Spring Term.

Five eventful days from April 19-23 were planned. A special assembly started the week off when Girls of the Month for Courteousness, Spirit and Leadership were announced to the girls. Also the assembly served the purpose of announcing to the girls all of the events taking place during the week. Besides the traditional days planned a very entertaining Powder-Puff softball game was planned and a dance held on Friday night sponsored by the Girls' League and Boys' League was highly successful.

The Girls' League sponsored numerous projects. One was the compiling of books for schools with little available literature. Also a Girls' League Corner was completed where all Girls' League news was available. Informal parties took place after school to promote friendliness among all girls. As the year came to a close we had a Teacher Appreciation Day.

Boys' League was active last fall with newly introduced ideas along with the old traditional projects. The annual Boy's League Luau, "Island Venture", was the first successful project of the year. A vacation mood was created with an ocean-liner and native village. Over 800 people enjoyed the music of the Sceptors in a Hawaiian atmosphere. For those who attended the dance the courtyard was laden with an array of tropical foods.

The P.I.L. standing board is a new system that will show how each school is doing in sports. This was the second major project of the year. The P.I.L. board was put into effect as a reminder to the student body of the position of its teams standings in the league.

The election of Boy of The Month was changed to an election once every grading period. This move was made to place more importance on the election of Boy of The Month.

The fine participation of the part of the student body in B.L. projects and events was a great step forward in total school spirit.

The Spring Boys' League planned numerous worthwhile activities during their term of office. The cancellation of the Family Festival alleviated the Boys' League from delivering festival newspapers. To compensate for the loss we turned directly to the Interclass Track Meet which was held on April 1. Everyone on the cabinet and the reg. reps. sold ribbons, each for their respective class to publicize the event.

The next League sponsored activity was an afternoon jazz assembly presented by the Chrysler Corporation. This assembly was appreciated and well received by the Madison students.

On April 23 an informal dance was co-sponsored by both the Girls' and Boys' Leagues. The fast and furious music provided an exciting start to Spring for everyone who attended.

Boy of The Term elections were held and trophies awarded to the outstanding boys for all four grading periods. Three boys were elected each term on the basis of nine important assets. At the end of the year a Boy of The Year was elected and given a special award.

I would like to thank the members of my cabinet for their efficiency in serving the Boys' League .

Activities

After the Rally there was a dance in the cafeteria and students are shown here participating in a slow dance.

The first rally dance proved a success with many students participating and enjoying themselves dancing.

Fall Rally Arouses Spirit For the First Football Game

A rally performance was held in the auditorium September 11, to arouse the spirit of the student body for Saturday's football game with Franklin. The Rally squad was presented with their new uniforms to lead the students in the school song and various new yells. The girls' uniforms consisted of blue and red sweaters with a Senator emblem on the back and blue pleated skirts. Red shoes and pom-poms completed their ensemble. The Rally boys wore light blue sweaters with the Senator emblem on back, blue shirts, light Levis and saddle shoes. They carried blue megaphones. Also at the Rally, Coach Larry Keck introduced the football coaches and the varsity team. A dance afterward was held in the cafeteria where the football court consisting of five senior girls were presented. The girls were Kathy Bartosch, Gloria Fisher, Janet Ford, Cheryl Green and Lucy Igou. These girls were chosen by the varsity football team as princesses to reign over the Homecoming game and dance. The students were to pick the queen by voting in their reg. rooms and the queen would reign September 18, with her court at the Homecoming game and dance. The first dance seemed an intriguing event with approximately six hundred students attending. Other rally dances followed every game.

After preparing for the dance, the Fall Rally was pictured here. From bottom to top: Ann Truax, Bryron Darr, B. J. Hammons, Sally Guerrattaz, Phil Bushman, Sue Zachor, Jean Stone, Brian Whalen, and Janet Stone.

A slow dance is appreciated for a change by Brian Whalen, Teri Almeter, Nona Hamilton and Ron Schier.

The excitement of winning our game started off the dance with a great deal of enthusiasm to a fast tune.

A 40-foot ocean-liner docked along the north wall of the cafeteria was boarded upon entering the Luau.

Boy's League Goes Hawaiian

What's caught in the net? It's part of the Boys' League committee who helped make the Hawaiian Luau such a big success.

A 40-foot ocean-liner, docked along the north wall of the cafeteria, was boarded upon entering the Luau. "Island Venture" was the theme of the annual Boy's League Hawaiian Luau, held on Saturday, October 3rd. A 40-foot ocean-liner, a South Sea island village, driftwood from the coast and a gigantic, black octopus with bright, gleaming, red eyes garnished the affair.

The music was furnished by the Scepters, and the dancing students appeared to enjoy it. About 650 students attended this Luau and they wore many different types of dress. Students wore cut-off jeans, sweatshirts, Madras shirts, muu-muus, shifts and other clothing apparel.

U. G. N. Hootennany

While the combo groups were getting ready to play Olin Clark invited some of the singers out to help him get the audience to participate in several folk songs.

The second annual United Good Neighbors Hootenanny, held October 26, was a huge success, collecting over $700 for U.G.N. The Hootenanny began at the KEX radio Studio at Six o'clock where the KEX Karavan went onward to Madison. The Karavan consisted of top Portland folk-singers, KEX disc jockeys, and students. The four combos that played were "Don and the Goodtimes," the "Tempests," "Aesop and the Fables," and the "Gayblades," The four folk singing groups were Robin and Henry; John, Brian and Neil; Emily Chalmers; and Craig Dulis and Nancy Snively. The emcee of the show was Olin Clark a '64 graduate of Madison. All of the seats in the auditorium were filled; students were standing in the auditorium and many had to be turned away at the door.

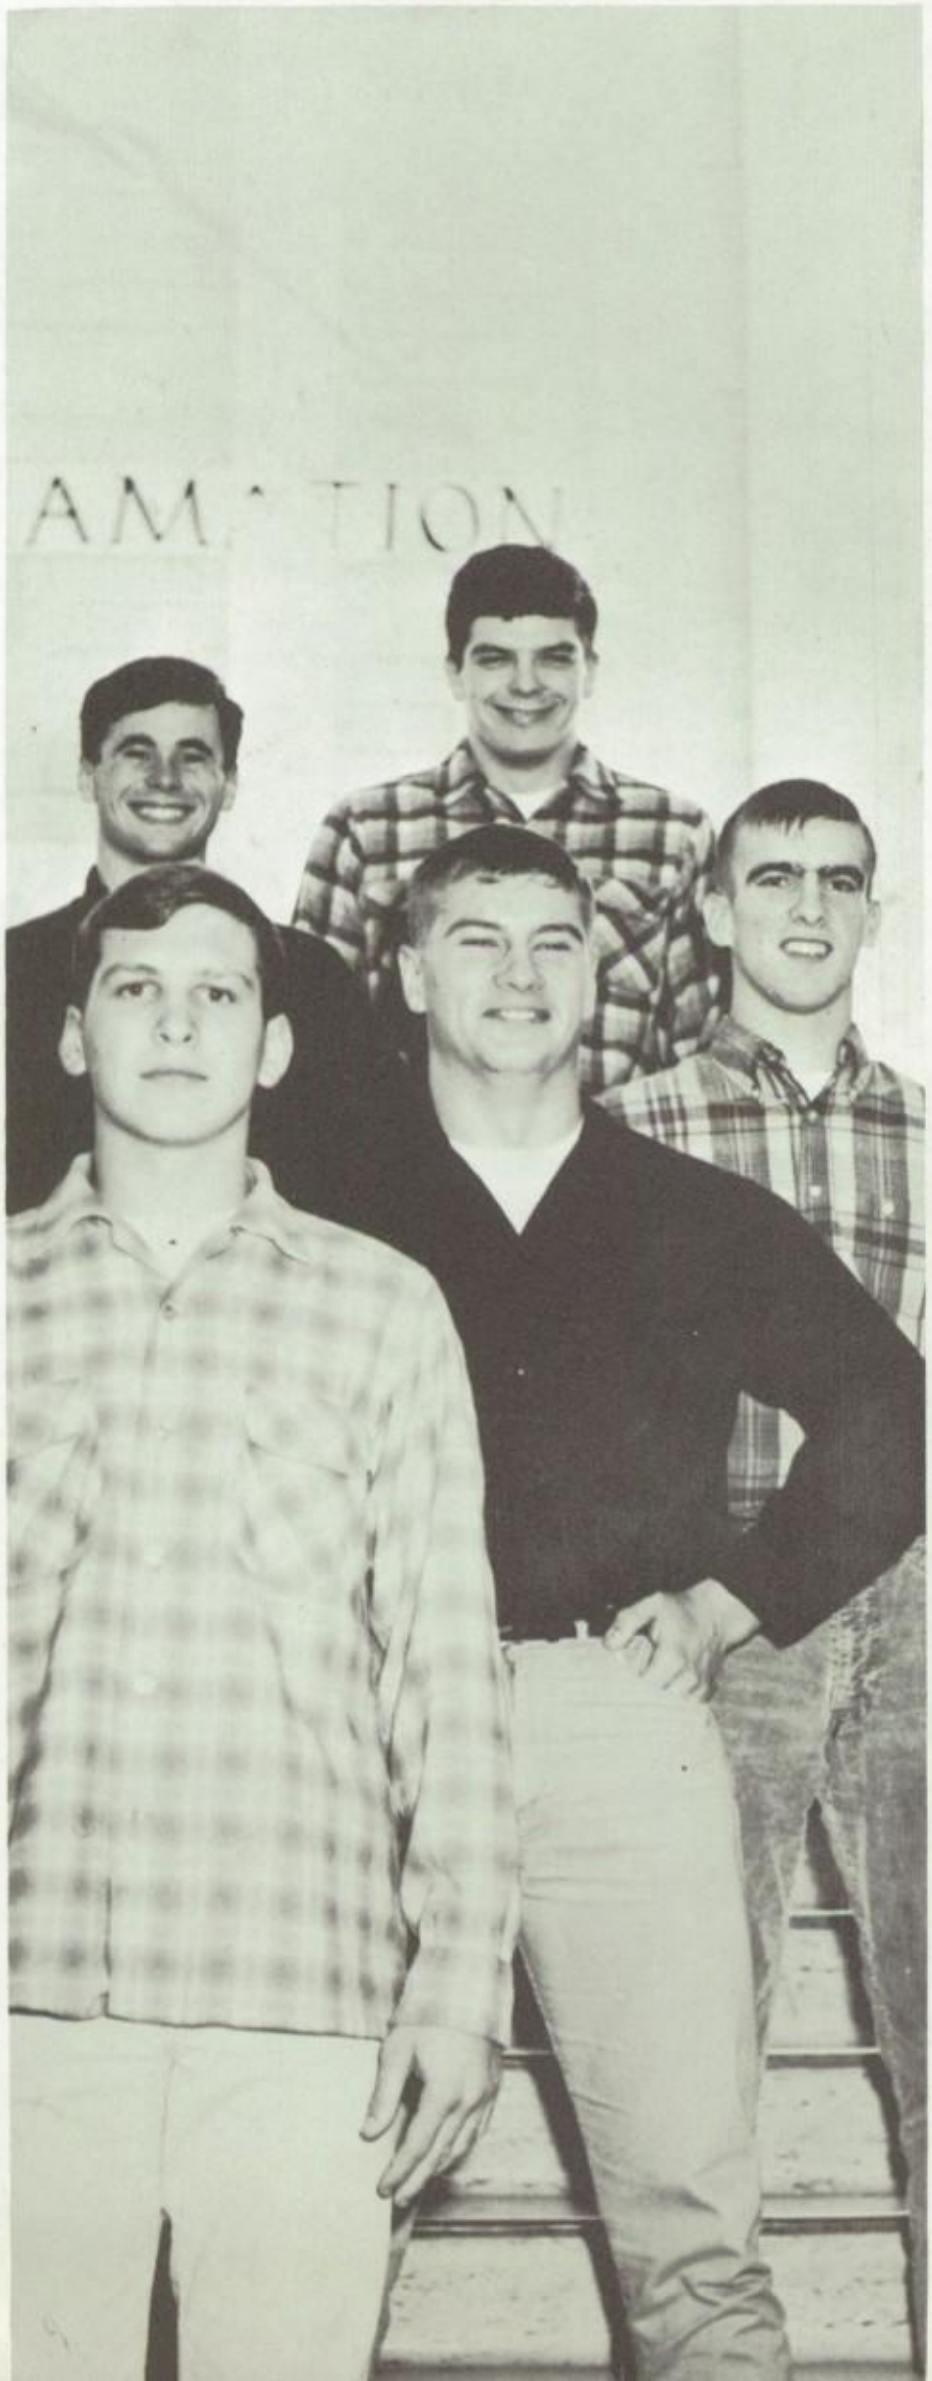
Ed Watson Gets Crown



The Lollipop Court consisted of King Ed Watson, and the four princes: halfbacks George Eastman and Harold Smith, defensive end John Hart and liner backer Bruce Kannenberg. The court of five was chosen by Girls' League reg. representatives and cabinet. The five candidates were voted on by the Student Body to see who would receive the crown and be the 1964 Lollipop king.

The annual Lollipop dance follows the final game of the season and is in honor of the varsity gridmen who won royal seats. The king and his court are presented at the dance. The king received a crown designated with all types of candy on it. Ed and the four princes were each recipients of giant lollipops. The female members of the fall football rally honored the boys by singing them two songs "You've Got To Be A Football Hero" and "We Love You Football Team."

We won our last game of the season with Marshall. The hero of the game was Bob James who made two of the touchdowns.

"Winter Wonder Land"

The annual Christmas Formal was held on December 22, in the Madison cafeteria. Decorations for the dance followed the theme "Wonderland by Night". As couples entered the dance, they walked down a path bordered by small fir trees. The path ended at a street lamp and the dance floor opened into view. On the north end of the cafeteria the "Keytones" played, and on a platform in front of the cafeteria doors was the queen's throne. Over the queen's throne hung a silver crown. The traditional large white Christmas tree surrounded by small tables at which couples could sit while enjoying refreshments was located in the south end of the cafeteria. Punch in a bowl carved out of ice, mixed nuts, cookies and mints, were among refreshments served to the 225 couples attending this annual event.

Marla Grammon and John Hartung are among many who attended the annual Sweethearts Ball.

"Caper On Cloud Nine"

"Caper on Cloud Nine," was the theme of the Valentine dance, a semiformal, girl-ask-boy affair. Held on February 13, the annual dance began at eight and drew to a close at eleven. This annual dance is sponsored by the Girls League, and has become a tradition at Madison since the opening of the school in 1957.

This is the biggest semiformal of the year. "The Swingin' Teens" from David Douglas provided the music. As couples entered the dance they walked through the center of a large red heart, down a red carpet and the dance floor entered into view. Decorations for the dance were highlighted by red and white table decorations on red tablecloths and small white benches located around the dance floor.

Dances Enjoyed

Many dances have been held throughout the school year for the enjoyment of the student body. During football and basketball season, dances were held after the home games. Other dances have been held for special occasions such as, the Hawaiian Luau, Spring Fling, and formals. Classes have also sponsored dances for the student body featuring popular combos.

Most students have created their own style for fast dancing but the "Madison" is still in order for the few slow dances. Some students have found dancing a way of relaxing and forgetting about momentary worries, others ease their tension by dancing and still others do it for enjoyment. The theme of the Boys' League assembly was "Music For Modern Americans". The program featured Thurrlow Spurr and the Spurrlows, a musical group of glee and orchestra members. It was held April 15th and proved to be a big success and it was appreciated and well received by the Madison students. The Chrysler Corporation sponsored the noon jazz assembly.

"The Stars of Magic" was presented May 14, in the Madison auditorium. The Dads' Club sponsored the affair and it took the place of the family festival. Master of ceremonies for the show was Madison dad, Stan Greer, past president of the Portland Society of Magicians. Over 12 acts depicting phases of sorcery and bewitchment were presented by the members of the Portland Association of Magicians. Many of the Magicians perform professionally throughout the Pacific Northwest. The selected acts for the magic show included Duane Duvall, more commonly known as "Perfection in Deception"; Merle Ellsworth, "Merle, the Magician"; Jimmy Stoppard, "The Rose City Slicker"; Professor Clinton English, "The Will Rogers Of Magic"; Will Desmond, "International Conjuror," and Stan Greer, "That Tricky Fellow."

Hen Party Honors Team

Following the Powder Puff game was the Girls' League "Hen Party" to honor the winning senior team. A dinner consisting of barbecued chicken, roll, apple, ice cream and orange drink was served. The girls in the pictures above are seen enjoying the feast. Entertainment was

provided by Jean Berardino singing folk songs, Craig Dulis and Nancy Snively also singing, a group of students performing a skit and to end the occasion a Hawaiian dance was performed by freshman Rene Dayan.

Senior Girls Beat Junior Girls

The senior girls stomped the junior girls 8-0 in a Powder Puff game Saturday, October 24. Karen Jacoby was the senior team captain and Jeanne Berardino was the junior team captain. Karen Jacoby made the only six point tally of the day.

Cheering the senior Girl's team on to victory was an all-male rally squad. Five senior boys made up the squad, left to right George Eastman, John Hart, Phil Bushman, Stu Fredricks, and Bruce Kannenberg.

Following the Powder Puff game was the Girls' League "Hen Party", where awards were given to some of the players. Karen Jacoby was awarded a pink, decorated football for being the captain of the winning team. Violet powder puffs were awarded to Karen and junior Jeanne Berardino forbeing the "players most likely to succeed in Pro Football." Anne Truax senior and junior Linda Hopper were presented with pink powder puffs for the most fumbles. Claudia Nestelle, senior and junior, Dianne Burgess received pink powder puffs for their toughness.

The senior girls were cheered on to victory.

Great Guys v.s. Good Guys

April 9th the Madison "Great Guys" met the Kisn "Good Guys" in a tough tangle with the faculty coming out on top. There was a capacity crowd to see the victory. The winning team, Richard Edmonds, Don Gassaway, Larry Keck, Gerry Ross, Lynn Roumagoux and Jim Smith scored 68 points to the Good Guys 49.

Triumphs Over Seniors

The annual senior-faculty basketball game was held February 9th, in the Madison gym. The first game the senior girls played the female members of the faculty, this was followed by the senior boys taking on the male members of the faculty. Coaching for the men was General Exley, who led his team into a 57-43 victory. Mrs. Benona Dawson was the faculty coach for the women who led her team into a 32-11 victory over the senior girls. Coaching the senior boys was Rick Wise, Madison's baseball player for the Philadelphia Phillies. Junior Shirley Bailey coached the senior girls. This years game was filled with excitement as the roaring crowd cheered their teams onward. The fall and spring members of the varsity rally lead cheers for the teams. The fall rally members made up this yell for the Faculty and it looks like the seniors took their advice. The yell went as follows: Hey Seniors! We're for the faculty and we're here to say if you want your diploma let 'em win today.

We're for the Seniors! Let 'em win today.

Charles Dickens' Christmas Carol was performed.

Holiday Assemblies

The Madison Thanksgiving Assembly consisted of the Madison exchange students first impressions of Delbrook High in Vancouver, British Columbia. They each conveyed to the Student Body how they felt the students and their ways of life differed from ours. Mr. Kempster, the student music teacher, sang a Thanksgiving song, Sue Rinker, a senior, gave her idea of "A students Thanksgiving thoughts" and to end the assembly the Student Body sang "America" and the "Star Spangled Banner".

The annual Christmas assembly was held December 21. The program began with a Christmas Festival Overture by the orchestra. The Bible Christmas Story was shown as seen each year on ABC television. This included mixed chorus and the full orchestra coordinated with color slides of famous masterpieces, and a narrator.

Charles Dickens' Christmas Carol was performed in pantomime by actors on stage but voices, music and narration accompanying it came from back stage.

Those participating in the program were — Mike Fitzpatrick as Scrooge; Jerry Bunn as Cratchet; Barbara Baker as Mrs. Cratchet; Bobby Houston as Tiny Tim; Pam Mack, Ghost of the Past; Diane Tabos, Ghost of the Future.

A choral ensemble followed the conclusion of Christmas Carol and was preceded by the Chansonettes and a single number by the choir. All groups then joined together for the Hallulujah Chorus Finale.

Scrooge was played by Mike Fitzpatrick.

Assemblies

The Medford High School orchestra under the direction of John Drysdale entertained at an assembly February 12 in the Madison auditorium. The Madison choir accompanied the orchestra in a few songs..

The theme of the opening assembly was "Once upon a Textbook" taken from "Once upon a Mattress." The assembly had to do with arousing school spirit in the student body.

The purpose of the communication assembly was to show Madison students how the communication system between students, government and administration works. Skits were put on to demonstrate how one can go about presenting a problem to the executive council to be acted upon. After the skits Carol Ann Price gave an oration on prejudice which tied in with the assembly.

The newly elected officers of the Student Body took their oaths of office in the assembly on Friday, February 12. Doug Tonn was given his oath of office by retiring president Hal Smith.

Banquets Honor Dads

Mr. Thorpe gives prizes

On January 28, the annual Father-Daughter banquet was held in the Madison cafeteria. The featured speaker was Jane Jasselyn, who spoke about her experiences in the Peace Corps. She spent two years stationed on the Ivory Coast of Africa. Also, she taught high school English to French speaking natives about 300 miles inland. She is now attending Portland State.

Sue Zachor was the commentator for the fashion show. Members of the Hi-Board participated in the fashion show where each modeled three spring outfits. The girls who modeled the fashions were Pam Jeans representing Rhode's; Cheryl Green, Nordstrom's; Lucy Igou, Best's; Anne Truax, Berg's; Pat Urmson, Lipman's; and Nona Hamilton, Meier & Frank's. To add a touch of comedy, Teri Almeter modeled a man's suit. The Banquet ended with Teri Almeter, Joan Ditty, Gloria Fisher, and Jean and Jan Stone dressed up as little girls with big lollipops singing, "We Love You, Daddies".

The annual Father-Son Banquet was held on October 29. The yearly affair was sponsored by the Dads' Club. This year, well over 150 fathers and sons attended the dinner.

Entertainment was furnished by the Caploes, a team of magicians. The show consisted of several tricks, a dance, and balancing acts.

The guest speaker was Eddie Basinski, former professional baseball player.

Responsible for the banquet was the Dads' Club president, Everett Post. The emcee for the evening was Kenneth Thorpe. Several door prizes were given to the fathers and sons in attendance.

Athletes Honored

The Winter Sports Banquet held March 18, honored the basketball and wrestling participants. Dr. Howard Wescott, Portland State College wrestling coach was the featured guest speaker. He dealt with the dedication of one's self to an individual sport. Special trophies were awarded to the outstanding varsity athletes in each sport. Letters and certificates were awarded to all qualified team members of basketball and wrestling. The spring rally received certificates for their ability to lead their school in spirit. The banquet was a complete success.

Madison's Fall Sports Banquet was held Tuesday, November 12 in the cafeteria. The banquet was in honor of the fall athletes which included the rally, the football teams, and the cross-country runners who were recognized with presentations. The emcee for the evening was James Norton, Madison Athletic Director. Skip Staley, Director of Athletics of Portland State College, was the featured speaker. Also honored at the banquet were the visiting Canadian students and their hosts.

Madison Welcomes Ali

Ali Gurkan, Madison's AFS student

Izmit, Turkey, is the birthplace of Ali Gurkan, Madisons 1964-65 AFS Foreign Exchange Student.

In Turkey Ali studies eight lessons a day, six days a week, but is allowed four months' summer vacation.

Rated high on Ali's list of activities are reading, drawing, music and sports. He is fond of singing and dancing. Like all boys Ali is a sports enthusiast. He is a good swimmer and enjoys such games as tennis, basketball, and volleyball.

In contrast with American teenagers, Turkish students transport themselves by bicycle or by foot; cars are much too expensive. But again like American youths they earn money by holding summer jobs.

In Turkey, Ali's family includes his mother, father, and sister. Ali's father is the director of a chlorine factory; his mother is a housewife, and he and his 10-year-old sister attend school. Ali is now living with his American adopted family, the Frank Grahams. Ali was assisted in becoming acquainted with Madison by junior, Yvonne and senior, Gary Graham.

Girls' League Week

The annual Girls' League Week was held April 19-23. Cotton Day was held earlier because of the spring weather. The week began with a blue tint. All girls wore their prettiest blue outfits and celebrated the beginning of the week Blue Monday. An Assembly was held, which featured the activities of the days to come. Tuesday was Athletic Day, a powder puff softball game was to be held, Senior girls against Junior girls, although this was postponed until Thursday because of rain. Wednesday was the annual Mother-Daughter Tea. Thursday was Posie Day. Posies were sold to be worn by all girls. Friday all girls were to wear ribbons in their hair for "Hair Bow Day." Friday night a dance entitled "Spring Fling" was put on by the Girls' League and Boys' League.

Princess Selection:

"My Fair Lady" was the theme that presented the 1965 Rose Festival Court to the Madison Student Body. The scene was of elegant red velvet with curtains of flowers on both sides. The court entered gliding down a long stairway to be presented to the Student Body. Our 1964 Princess Darlene Leu was there to announce Jan Hall Princess for 1965. A bouquet of roses was presented to Jan as a thunderous ovation rose from the students. Student Body President Doug Tonn presided over the ceremonies.

Letterman Wayne Fuller runs for Madison.

This year the Madison Lettermen Club sponsored the Senior-Faculty basketball game in which the Faculty scored a win. Over $600 was earned from this. Invitations were given to new members at the annual Sports Banquet. The first annual Letterman's club banquet was held April 24. The Lettermen's Letterman Award was initiated. This award was presented to the Letterman who best represents what a Letterman stands for. After careful selection, there was a tie between Curtis Heath and Bruce Kannenberg.

Altogether the Lettermen earned $1,222, including the KISN Good Guy ball game. The Lettermen also helped sell tickets to the Magic Show for the Dad's Club, since their usual job of distributing papers for the Family Festival was put out of commission.

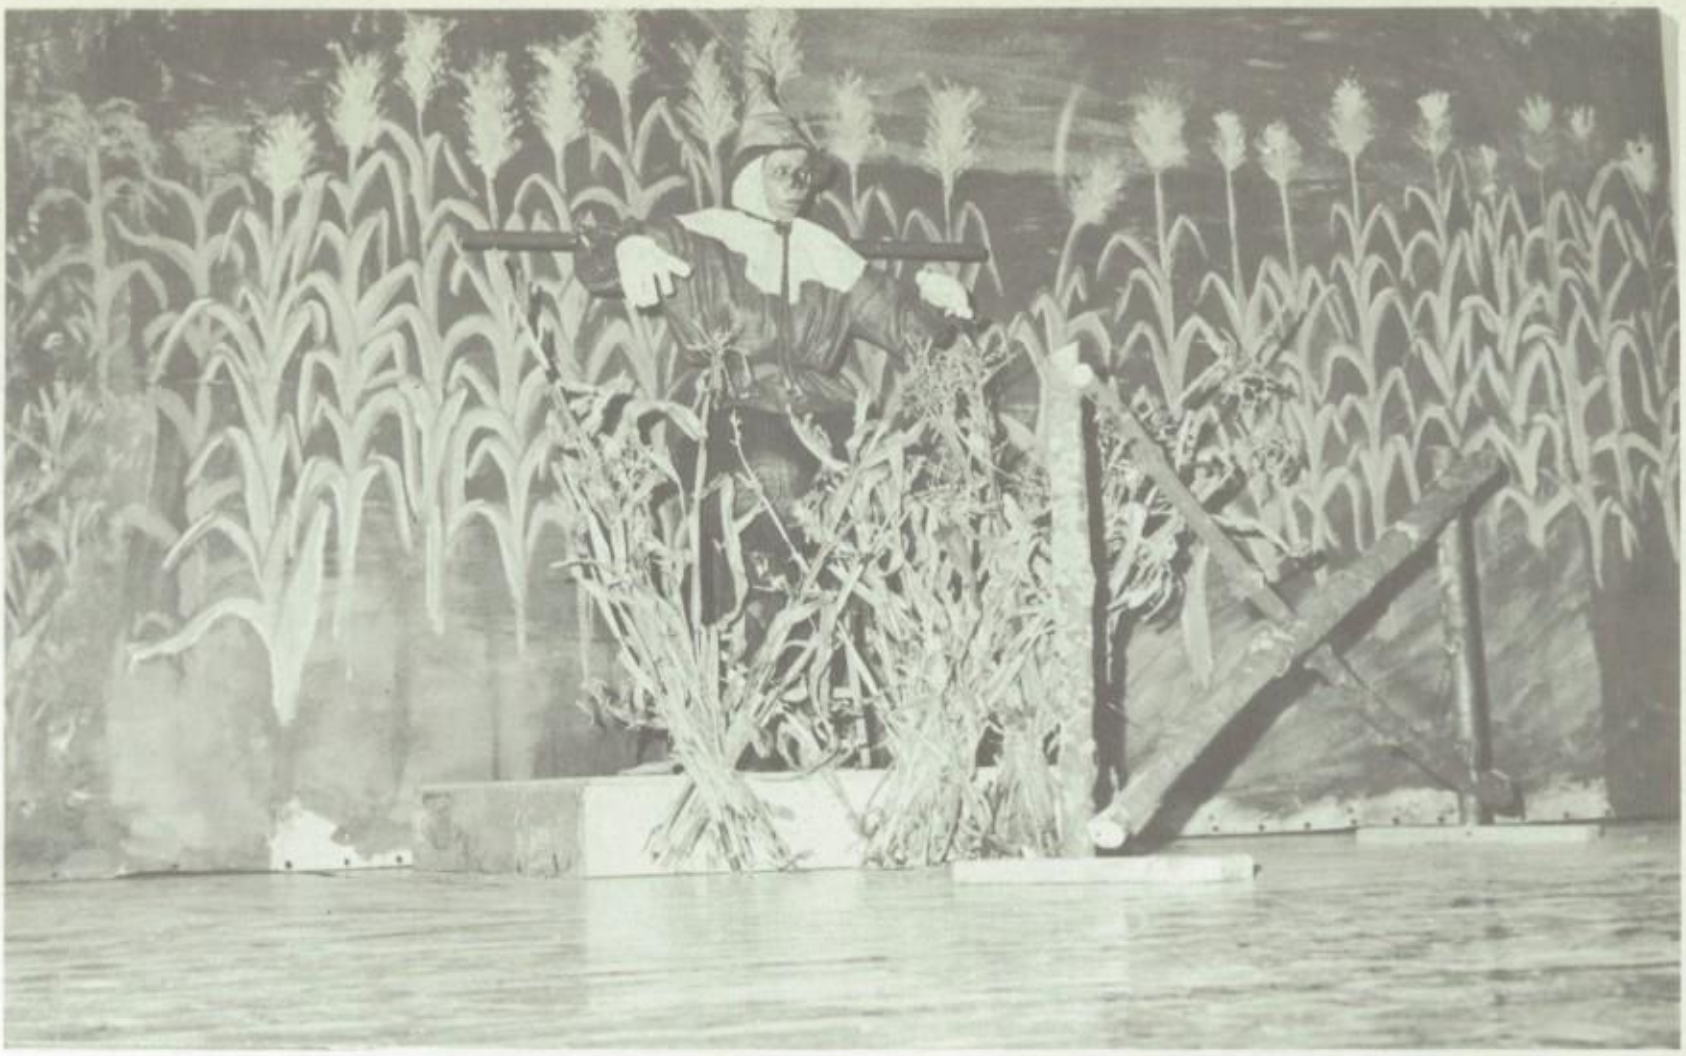
DRAMA



After the storm, the Scarecrow watches and hopes that soon he will be released from his stake.

The Wizard of Oz

"We're off to see the Wizard" was the merry cry of the five lighthearted characters as they skipped off along the yellow brick road. On November 20 and 21 the Madison High drama department presented the Frank Baum production of "The Wizard of Oz."

All proceeds went to better the stage equipment. The attraction drew a house of 1,971. In the first scene a dummy was not used when scarecrow Harriet Glosson was caught in an impudent windstorm. One of the student directors, Chris Hansen, took on the part of the cowardly lion in four days notice, yet was the most beloved figure of all. The other student director was Gilda Eng, who helped with the music and made "The Wizard of Oz" very fascinating to watch. However, the most unobligated of all and without having to say a word was Toto, the dog.

Pillow Talk

"She's the sweetest, most talented girl I have ever met."

You don't have to go to New York to see a premiere or to Hollywood to see it put together in action. On April 30 and May 1, the Madison Drama Department presented "Pillow Talk". There was a cast of 21, and an audience of 1,761. Mrs. Sparks directed it, and all proceeds went to the stage equipment.

If you have ever had a party line, you will know how very impatient you become when your neighbor is impolite and unconcerned about anyone else's feelings. This three-act comedy involves a man and a woman who meet under strange circumstances. It combines a bright adult sophistication with a suitable attitude for a school play. This spring show, perhaps, will be remembered as the funniest of the year.

One-Act Plays

It was a dreary Halloween afternoon when the tales of "Blueberry Witch" and "The Ghost Who Loved Salami and Jelly Sandwiches" were presented.

The student directors were Marci Foise and Ervin Rich. The play "Black Witch" was written by Wede Delvin, whose fine works have been displayed in Good Housekeeping and The Ladies Home Journal.

"The Ghost Who Loved Salami and Jelly Sandwiches" was a delightfully humorous story of two young lovers, Percy and Hermion, and his sudden inheritance of a haunted castle. The author was Steven Smith who is a director of the Children Theater for the Park Bureau.

The old story that all children love, "Little Red Riding Hood", was the third of the numerous plays presented as a children's show. This presentation was February 13, and the student director of this play was Lynn Campbell. The cast was made up of all girls, and the two boy roles were played by Peggy Baker, and Marcie Foisie. The stage manager was Mike Goldsmith who did much in furthering the play.

Grandmother's house was the center of attraction throughout the play, and Little Red Riding Hood, played by Nancy Snively, brought life into the scenes. For the people in the audience it was as though they were in their childhood and the pages of an old story book were again being unfolded.

The Sound of Music

It was a vintage for great music this year at Madison. Our orchestra prepared the most challenging and successful season in their short history. They charmed contemporaries in there "Just Jazz Concert" and warmed the many hearts present at the Winter Concert and Spring Feista Concert. Listeners were delighted with the Christmas Program as portrayals of Christ's birth in great paintings were brought to life by an orchestral background.

The active members of our Dads' Club were deeply grateful for the numerous programs they made possible. Their combined effort and enthusiasm made the season a plentiful one in the world of instrumental music.

Aside from the vigorous efforts in the band, many of the players spent their outside time in the Pep Band. They provided a moral support to the team, and gave an entertaining diversion from points lost. Aside from these and other contributions, the Pep Band gave more school spirit, and with this spirit came more victories.

The Sound of Music

Fifteen thousand minutes signify arduous labor for Madison's band musicians, but not without results. Among their achievements were two hundred compositions this year and 26 section rehearsals. Their labor had landed them a title of one of the top 200 bands in the country.

The band is not all work, however. They received a chance to display their talent for President Johnson's arrival, the Fairy Tale Parade, Winter concert, and Just Jazz concert. Other performances were at the family festival, Dad's Club, P.T.A. concerts and the Rose Festival Parade. They were honored as "Guest Artists" band at the Medford all-city band festival and have visited numerous grade schools in the Madison area. Their hard work has rewarded them with many an appreciative audience.

Say it

Not only has the choir given the student body numerous assemblies this year, such as the night they sang for the Masons, they also made remarkable performances the week of March 31, through April 3, when the city-wide concert was held. The senior choir is made up of individuals ready to work and maintain the reputation that all good vocal departments try so hard to get. They are a very select group of promoters.

With Music

The night of the annual Christmas show was the first sign of skilled work from the choir. Their constant rehearsal is what made the rewarding performance. Work done by the choir is under the direction of Mr. Edmiston.

Music's Many Moods

You don't have to set foot overseas to hear music from all over the world. The Madison Vocal and Instrumental Department ascended the stage again this year with a splendid variety of music from the great symphonies of Europe, to jazz from New Orleans. Their music cycle began on the night of November 4, when they presented the Parent's Concert to a full audience. With no time to spare, the Choir and Chansonettes prepared the Spanish Rite Concert only six days after their first show.

December brought two concerts, the Winter Concert on December 2, and the annual Christmas Show on December 21. Both were presented in the auditorium.

The City-Wide Spring Concert was held on March 3, but the most difficult was yet to come. The Music Department prepared months ahead for the Northwest Educator's Concert held here in Portland. It opened on March 31, and continued through April 3.

"I'm an American" the climax of their musical agenda, was delivered also in March and April. Our musicians can indeed reminisce with pride, this year of great accomplishments.

FOOTBALL

Madison halfback Wayne Fuller (3) eludes Roosevelt tacklers en route to short gain.

Senators 4-4 in '64

Solons Debut Foiled

Madison kicked off the 1964 football season September 12, on a sour note by way of a 7-0 defeat at the hands of Franklin on the latter's home field. The Quakers scored early in the first quarter on a nifty 40-yard pass and then added the conversion. The scoring ended here with both teams slugging it out, but not being able to hit pay dirt, although the Quakers threatened twice.

The day was all Franklin's as the Senators couldn't seem to get an offensive drive started. Hampered by inexperience and first-game mistakes the game was a poor example of Madison's football potential. The Solon defense did deserve credit for holding the Quakers to a lonely touchdown.

The season began on a sour note, but ended rather sweet as Senator linemen Bruce Kannenberg and Glen Post were honored by being awarded positions on the first All-City team. They later received honorable mention on the Oregonian's All-State team. Solon quarterback Ed Watson brought his school additional honor by being selected as one of the two P.I.L. applicants for the Scholar Athlete Award sponsored by the Portland Chapter of the National Football Foundation and Hall of Fame.

Mads Tumble Teds

At home, Madison's football team rebounded, September 18, to overwhelm favored Roosevelt 39-14.

Roosevelt scored first on a pitch from quarterback Carl Tinsley to half-back Dick Tidwell which was good for 27 yards and six points. The Roughriders added the conversion and led 7 to 0. However this lead was short lived as the Solon defense, led by Bob James and Bruce Kannenberg, blocked a punt on the Roosevelt 20, with Kannenberg picking it up and charging in for the score. Mike Dressler added the kick.

John Boden recovered a Teddie fumble and the boys in red and blue were on the move again. Mike Dressler took a pitch from quarterback Ed Watson and romped to the Roosevelt 1, good for a 35-yard gain. On the next play Dressler powered his way into the end zone for six points.

Babe Wise recovered another Roosevelt fumble on the Roughrider 23. Hal Smith took the handoff and ran the ball to the three. On the next play Smith went into the end zone and Madison led 19 - 7.

The Senators scored three times in the fourth quarter on a pass from John Shafer to Babe Wise, on an interception by Marlin Grahn, and on a fine run by Hal Smith.

Marlin Grahn leaps high to intercept Roosevelt pass.

Demos Down Senators

Madison gave it everything they had in the line of hustle and determination, but still met defeat at the hands of always powerful Jefferson, 13 to 7, on the Democrats home field, September 25.

The Senators drew blood early in the first quarter on a pass from halfback Hal Smith to wingback George Eastman which was good for 45 yards and the touchdown. Mike Dressler added the kick and it looked as if the underdog Solons were on their way.

The Democrats marched right back to score, displaying powerful running up the middle and fine passing. The kick was good, and the halftime score stood at 7 to 7.

Jefferson scored in the third period and held on to preserve the victory, despite renewed efforts by the Solons.

Although losing, the Madison football team proved itself a team of character, with its never-say-die attitude.

The game was highlighted by a goal-line stand by the boys in red and blue. It proved to no avail, however, as the Democrats held on to win.

Solon halfback Rich Dorton (37) races around right end as Grant Generals pursue.

Grant Gains Win

Madison fell to always powerful Grant 14-0 October 9, as the Generals continued their drive to a second consecutive P.I.L. championship.

Grant scored first in the second quarter on a two yard plunge by halfback Junior Johnson. The extra point was good and the Generals led 7-0. The Grant defense then proceeded to hold the Senator offense the rest of the night. Grant scored again in the fourth period as Junior Johnson carried in from the 10. Madison playing against the best defense in the P.I.L. couldn't get an offensive drive started.

The Mad defenders, although turning in a fine job against Portland's best, were unable to cope with Grant's running backs, who consistently had four or five linemen running interference for them.

Bright spots for the Madison eleven were Stew Fredricks and George Eastman who made some fine pass receptions, Dave Sewell whose timely interception cost Grant a touchdown and Ed Watson's long punts which enabled the Solons to keep Grant deep in their own territory for a greater part of the game.

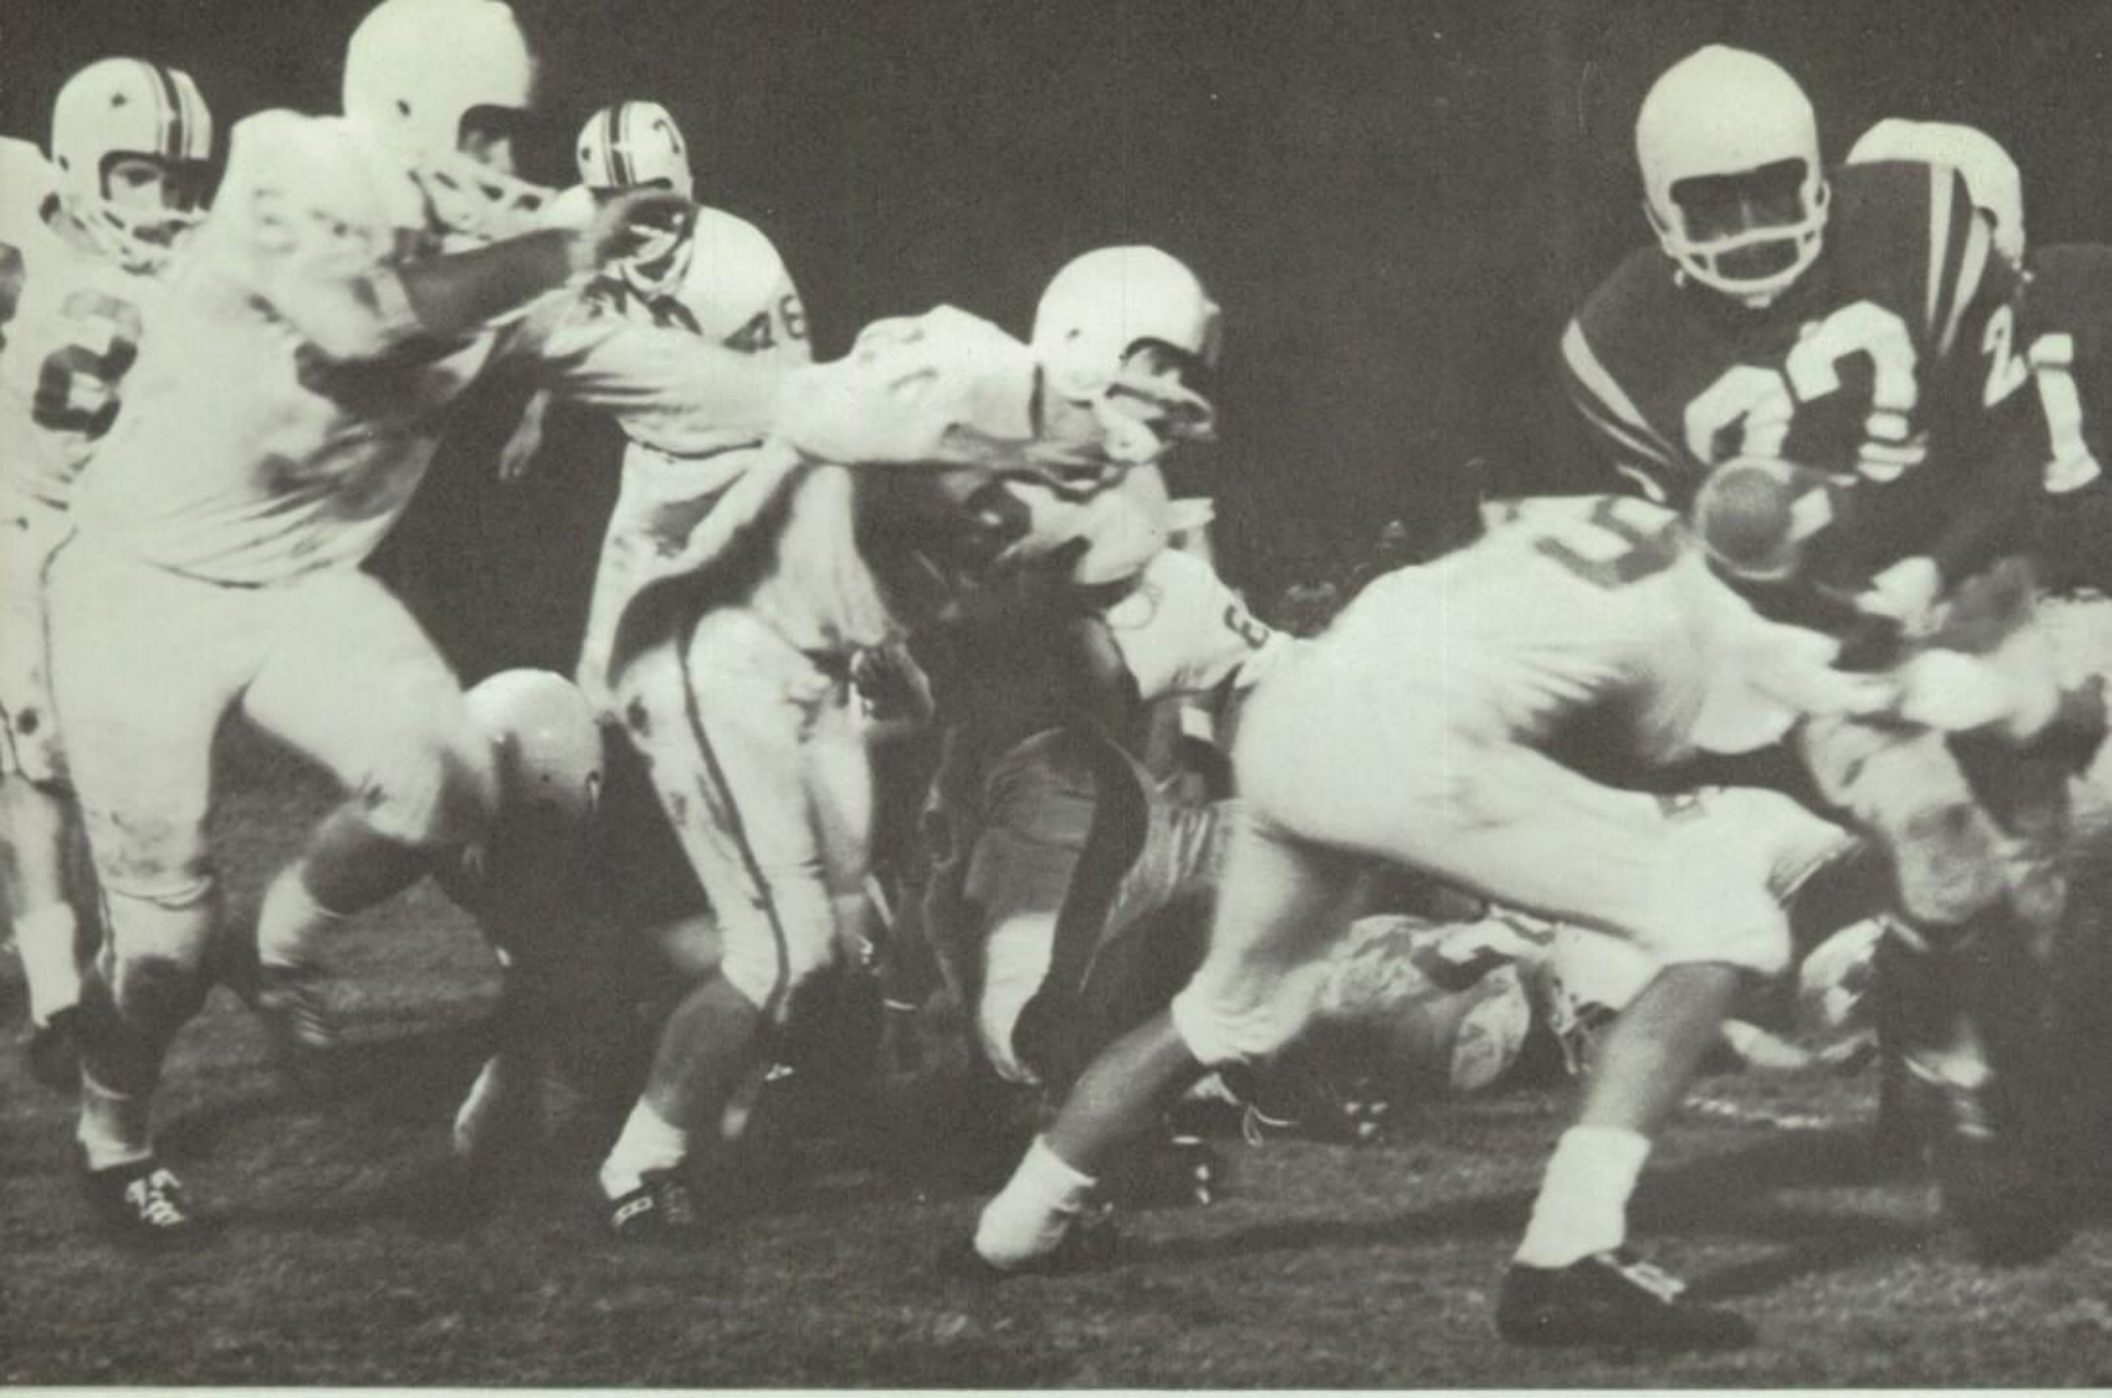
Solons Humiliate Cols

The Washington Colonials, winless this season, invaded Madison land with definite plans for an upset. However, after the first five plays of the game, Madison scored their first of six touchdowns against the small and undermanned Colonials. The final score was 43-0.

It was Madison's strong defense time after time that denied Washington any scoring opportunity. It was also the Madison defense that made it possible for the eventual outcome of the game. Led by Junior Jim Higginbotham and Senior Bob James, the Mad Defenders continually stopped, and stole the ball from the Washington group.

The game provided head coach Larry Keck with the opportunity to empty his bench and give his reserves game experience. Junior quarterback John Shafer provided Madison followers with hope for the future with his outstanding passing and fine signal calling.

The Washington game might be considered the turning point of the season, for it gave the Solon gridders that extra incentive to get back on the winning track and shoot for a percentage of .500 or better.



Grant's All-City halfback Junior Johnson skirts around left end en route to five yard gain.

Mads Trip Tribe

An ever-improving Madison football team downed Cleveland 20-6 at Madison October 23, to even its record at 3-3.

Cleveland took the opening kickoff and to the dismay of Madison followers, ran it back for the score. The Solon defense got tough, blocked the conversion attempt, and stymied the Indians throughout the rest of the game. Meanwhile, the Madison offense took charge and drove from its own 30 to the Cleveland 3-yard line where fullback Mike Dressler powered over for the touchdown. Dressler added the kick and Madison led 7-6.

A blocked Cleveland punt opened the door for another Senator touchdown, with Solon quarterback Ed Watson running three yards for the score. The extra point was blocked and Madison led at halftime 13-6.

The second half proved little different than the first with the Senator defense inspired by Dave Sewell, who intercepted three enemy aerials, and John Boden, proving impregnable. The boys in red and blue scored once more on a pass from Hal Smith to Ed Watson with the latter making a sensational catch. Mike Dressler added the kick and the Senators left the field with a .500 percentage under their belts.

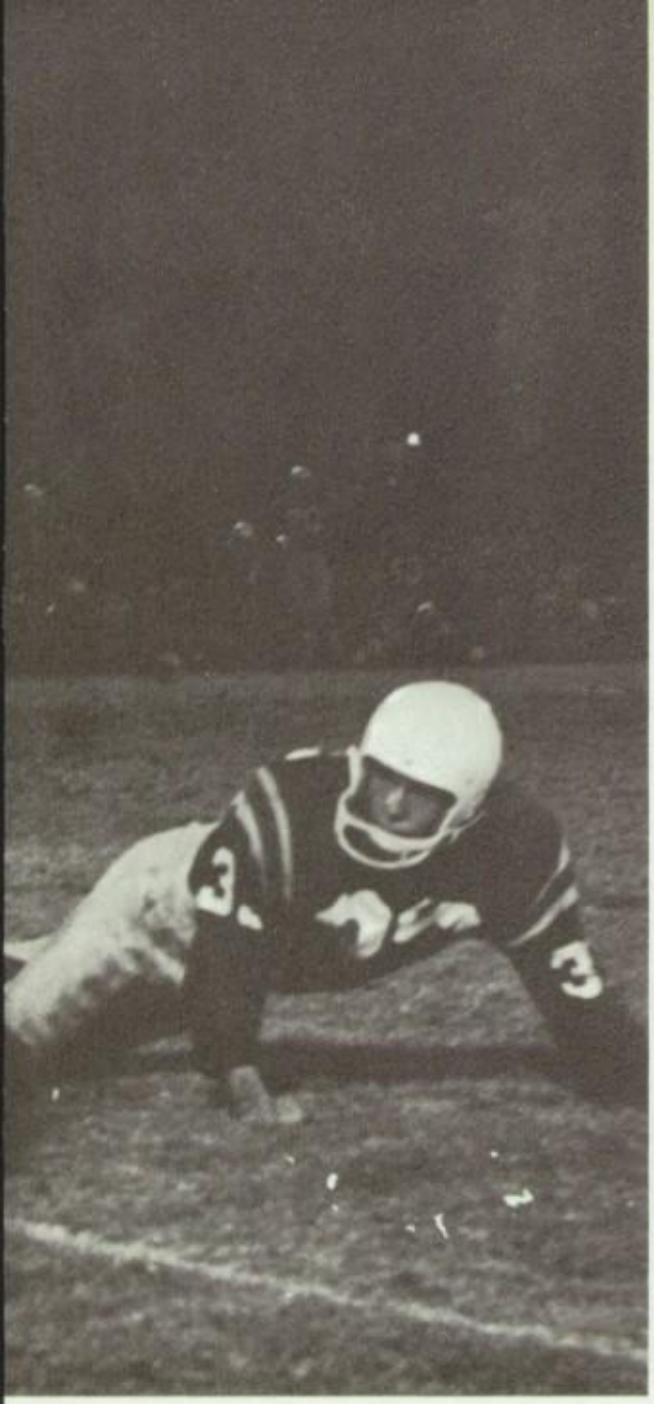
Trojans Trim Senators

Wilson capitalized on costly Madison errors October 30, to down the host Senators 12 to 6 and remain in contention for the P.I.L. championship.

The Solons committed their first error on the opening play after the kickoff by fumbling, with an alert Trojan pouncing on the miscue. Three plays later Wilson hit for a touchdown. The conversion attempt was wide and the score stood 6 to 0. This was the extent of first-half scoring as neither team could get a substantial offensive drive started. The Solon defensive held the Trojan running game in check, allowing them only 10 yards net rushing in the first half.

The Trojans scored again in the third period as a result of a Madison fumble on its own 29-yard line, and lead 12 to 0. The Senators came right back riding the crest of a passing attack with a final shot from Hal Smith to Stew Fredricks, providing the Solons with the touchdown. The Senators could not get another drive started as the Trojans held on four downs.

Junior guard Al Governor sparked the Senator defense with some fine line play and the blocking of a Trojan conversion attempt. Dave Sewell, a Solon defensive stalwart all season long, intercepted a stray Wilson pass to aid in Madison's losing cause.



Mads Mash M-Men

It is very seldom that a defensive tackle scores a touchdown, but when Madison and Marshall collided at Madison November 6, Bob James scored two touchdowns to lead the Senators in a 20-2 win.

Marshall scored first when John Shafer was tackled in the end zone for a two-point safety.

After the ensuing kickoff Marshall continued to roll. They advanced deep into Madison territory. Then Marshall quarterback, Bob Kelley rolled right to pass, but James stole the ball from him and sprinted 70 yards for the touchdown. This made the score 7-2 with 6:04 to play.

The next time Madison got the ball, fullback Mike Dressler went 57 yards for a touchdown to make the score 13-2 with only 4:16 to play.

Marshall tried to get another score on the board, but James foiled its plans again by nabbing a pass on the Madison 40 and going 60 yards for the score. The final 20-2 score evened Madison's season record at 4-4. This gave Madison its best record since 1962.

Frosh Finish 5-1-1

The freshmen football team of 1964, under the guidance of Coach Jim Smith, completed their most successful season in school history. The baby Solons were able to turn the winning trick five times as they compiled a 5-1-1 record, their only setback coming from a tough Washington team.

The past season was not only the most successful in school history, but it marked the first time a Madison football team has ever beaten a Jefferson squad. The inspired frosh downed the Democrats 7-0 to rewrite the record books. They also defeated arch-rival Grant 26-0 to partly compensate for the varsity's defeat at the hands of the Generals.

For the year, the frosh defense allowed only five touchdowns and three extra points, while accumulating five shut-outs. The offense scored 19 touchdowns and nine conversions.

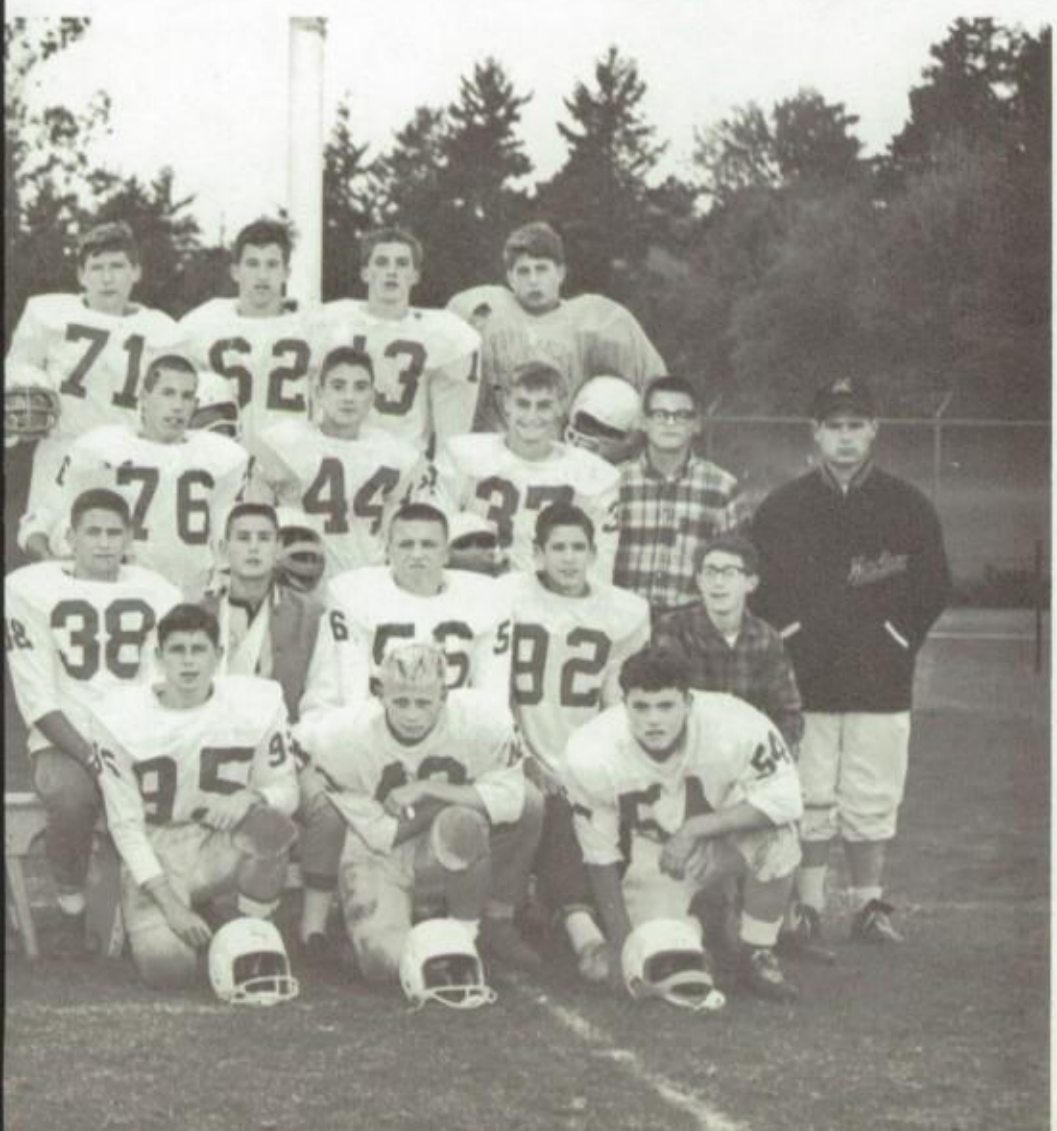
Successful Season



'Rebs' Notch 4-2-1

The 1964, junior varsity football team finished the season with its best record since Madison opened in 1957. Compiling a record of 4-2-1 the team will undoubtedly play an integral part if Madison is to be a top P.I.L. contender next year.

The team informally known as the "Rebels" was characterized by its spirit and come-from-behind attitude. Outstanding for the "Rebs" were Bob Clare and Bob Hoffman who received the Outstanding Sophomore Plaque, a new award to give credit for outstanding ability and desire in the field of football.

Another laudable accomplishment, in the opinion of many, was the holding of the Jefferson J.V. to a 0-0 deadlock. Coach John O'Donnell singled out the Wilson game as the best game played. The "Rebs", with only minutes to play, came from a 7-point deficit to edge the Trojans, 13-7.

Jim McDowell, Madison's top cross country runner, lead team to best record since school opened in 1957.

Solon Runners Shine

The 1964 cross country season is over now, but all Madison runners remember the hard work and determination that characterized their team. Each night the team members started off by running a distance of two miles around Madison's lower field. Then coach Lynn Roumagoux lead the team on a 10-mile jaunt, with one of the more prominent runs being to Mt. Tabor park and back. This was the routine throughout the season and undoubtedly contributed to Madison's resurgence in cross country. The team was one of the best since Madison opened in 1957, compiling a 3-1 record. The first meet of the season was held at Franklin, where Madison took first place in the varsity, junior varsity, and freshmen levels, with varsity harriers placing 1,2,3. The big defeat of the season came at Wilson high school, where Madison met Grant, Wilson and South Salem. These three schools have always been strong, giving the Solons stiff competition. The third meet of the season was held at Washington park where Madison took first place as the varsity and junior varsity completely dominated the field. Outstanding runners were Jim McDowell and Doug Tonn.

Finmen Finish 4-6

Don Roush, Dennis Kent, Tim Ramis, Scott Harbert show form.

This year the Madison finmen finished fifth with a 4-6 record. The boys practiced every day before school in the Town and Country pool. Bill Olsen, the head coach, said that if Town and Country had not made the pool available, the season would have turned out very dismal.

Madison's victories were earned against Jefferson, Roosevelt, Washington, and Franklin. Two relay teams did very well in the city meet. The medley team of Steve Lieppman, Dennis Kent, Scott Harbert, and Ed Jones captured fourth place and the freestyle team of Lieppman, Kent, Jones and Don Roush took fifth.

Olsen termed Jones as the most dependable swimmer on the team. Tim Ramis was outstanding as a freshman and has a bright future to look forward to. Lieppman was another stalwart in the Madison swimming ranks.

Olsen pointed out that the league was very well balanced and the competition was getting tougher. Madison beat Jefferson and the Demos turned around to beat Wilson, the city champs. The improvement in competition can be attributed to the fact that every team had a pool to practice in almost every day.

This year's girls' swim team finished with a 6-4 record in P.I.L. competition. The girls, like the boys, practiced at Town and Country every day. The first part of the year they came at 7:00 a.m., but later changed practice time to 3:30 P.M. The girls won their meets with Roosevelt, Franklin, Girls Poly, Marshall, Jefferson, and Washington. They lost a very close meet to Lincoln by one point.

Sharyl Inglis set a new record in the 80-yard individual medley by swimming it in 1:05.6, eclipsing the old mark by .4 of a second.

Madison was represented in the state meet in Eugene, Nov. 21, by the 200 yard freestyle team of Jean Stone, Jan Stone, Pat Haley, and Sharyl Inglis. They finished third in the city meet. Also placing in the city meet were Pat Haley in the 200-yard freestyle, sixth place, Barbara Haley in the 50-yard butterfly, fourth place, and the 200-yard freestyle team of Jean Stone, Barbara Haley, Barbara Welch, and Sharyl Inglis, fifth place.

Coach Sharon Watkins hopes that more girls will come out next year. Six girls are graduating and she will have many positions to fill next year.

BASKETBALL

Solons End 1st Half 4-6

The Madison basketball team finished the first half of the 1964-65 season with a 4-6 record. Hampered by inconsistency and at times erratic play, the first half of play was no indication of the team's potential. Undecided until the final buzzer were losses to Cleveland 50-47, Washington 62-59, and Lincoln 32-30. Madison bowed to first half runner up Jefferson 66-54, and was soundly beaten by first half champion Grant, 77-59. On the winning side the Solons downed Roosevelt 50-45 to open the season. The next two weeks saw the Mads drop four straight games before finally dumping Marshall 55-46. The Solons closed the half winning the last two in a row, downing Benson 49-40, and Wilson 59-52.

Under new head coach Jerry Ross, Madison employed a ball control offense; Coach Ross stressed defense and teamwork emphatically, as a result scoring was more evenly balanced.

Curtis Heath, senior forward, led the team in scoring, averaging 12.4 points a game. In the rebounding department Heath was tops again, pulling down 85 rebounds. John Shafer and Phil Bushman provided valuable floor leadership and Don Hart blossomed into one of the finer big men in the city.

Third Place

An improved Madison basketball team finished the second half of the 1964-65 season in a tie for third place. Compiling a 6-4 record, the Solons notched wins over Roosevelt 66-54, Cleveland 56-47, Washington 62-61, Marshall 81-61, Benson 61-58, and Wilson 59-58. The Senators were soundly beaten by Grant 78-59, Jefferson 77-59, and Lincoln 66-61. The other loss of the half, a 59-56 squeaker to Franklin in overtime was a heartbreaker to Madison followers as Curtis Heath's basket at the buzzer was disallowed and the Quakers went on to win the game.

Curtis Heath led the team in scoring, averaging 15 points a game, and in rebounding.

Post-season honors saw Phil Bushman win a second-team berth on both the Oregonian and Journal All-City teams. Curtis Heath received honorable mention in both newspapers, while John Mandic made it on the Journal squad.

The end of the season also saw head coach Jerry Ross announce his resignation to accept the same position at Reynolds High School.

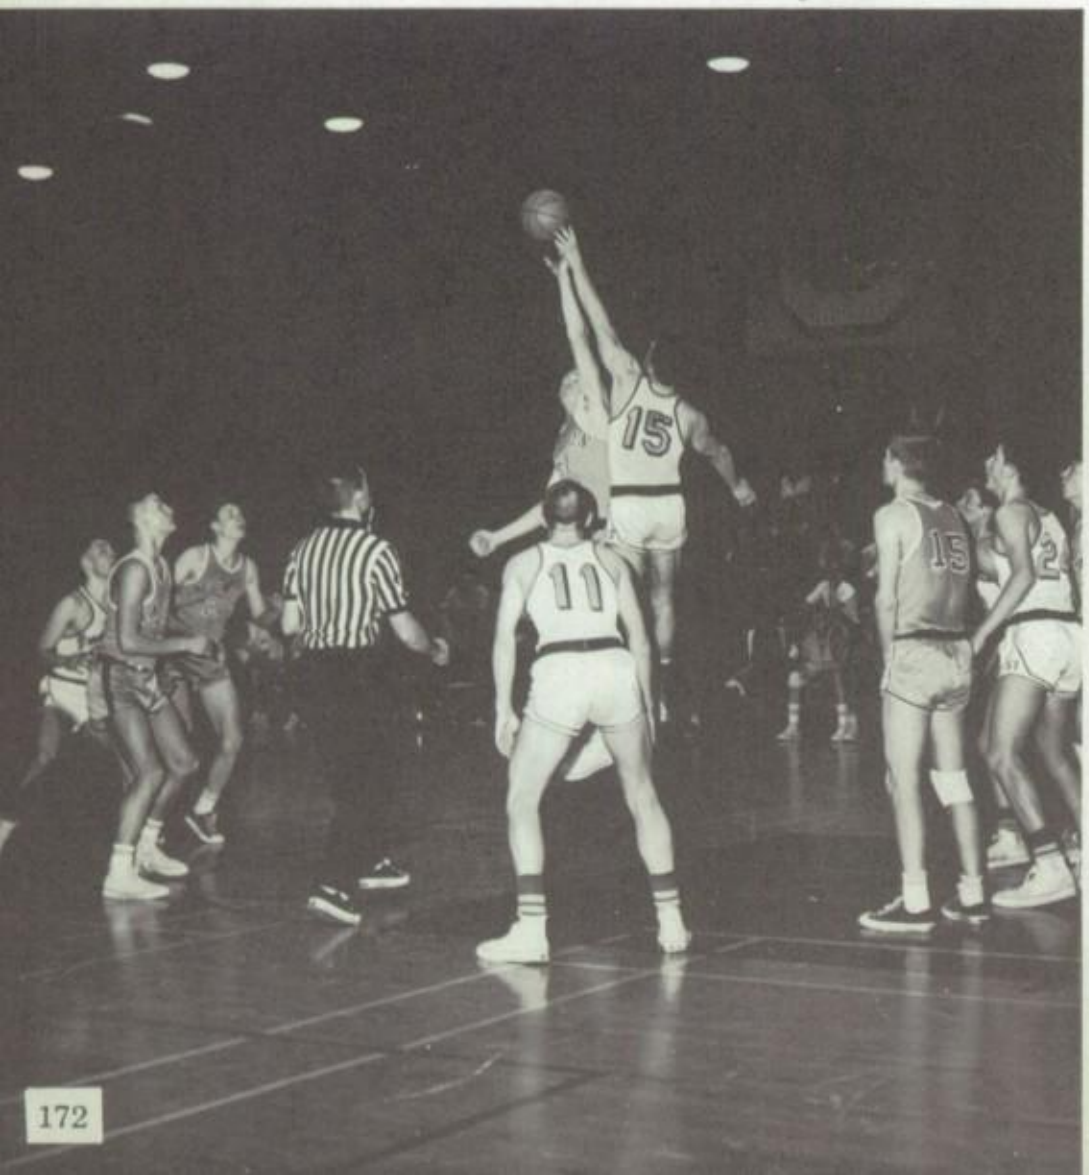
'Rebs' Offer Promise

'Rebs' await tip-off during Cleveland game.



The junior varsity basketball team — more widely known as the "Rebels" — completed the 1965 season with a 12-10 record. Coached by Larry Keck, the "Rebel" squad employed a ball control offense and emphasized defense. This was in keeping with the basketball program instituted by head basketball coach, Jerry, Ross. The purpose of the "Rebel" squad, as illustrated by coach Keck, is to develop players who will definitely be able to play varsity ball. The junior varsity is mainly concerned with developing a good team attitude and sound basketball fundamentals.

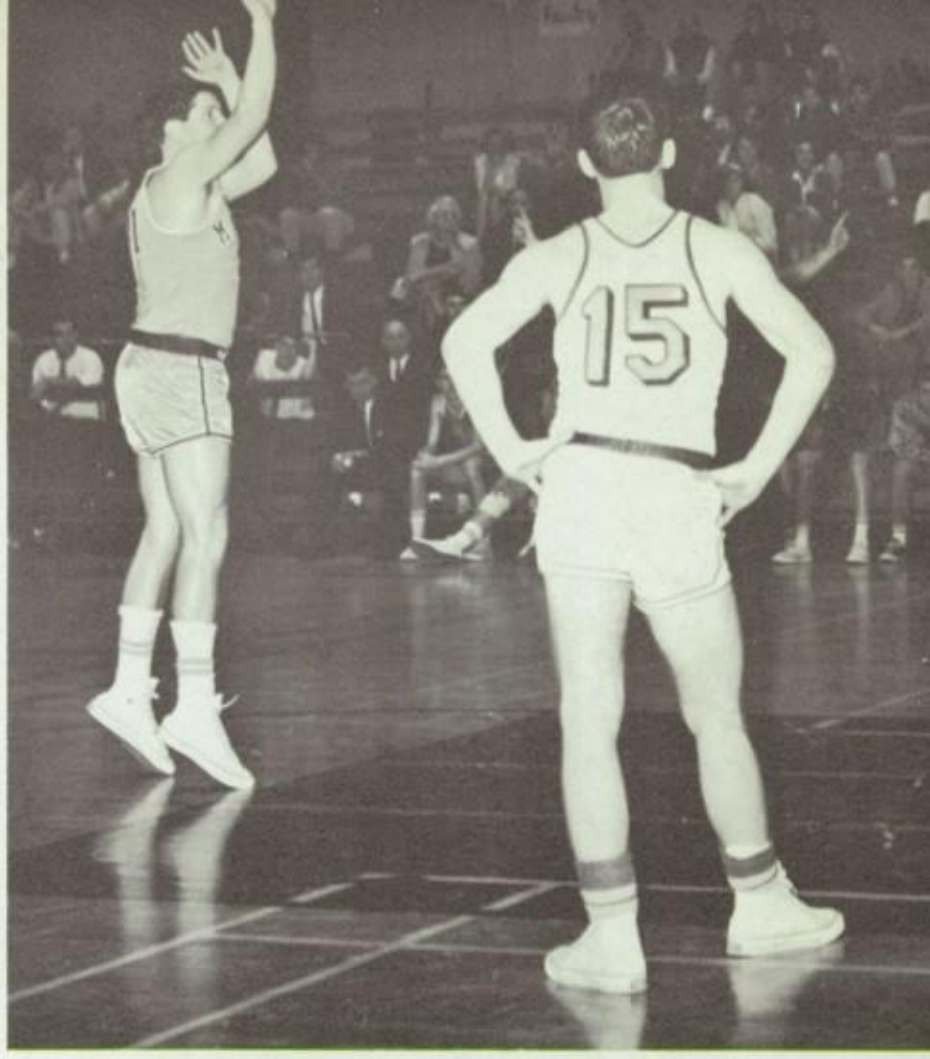
Leading the most consistent scorer on the "Rebel" squad was junior Lance Rosenau. Leading rebounder was sophomore Jon Gustafson who at season's end was awarded the outstanding sophomore athlete award for basketball. Craig Montgomery, captain of the team, provided the "Rebs" with leadership and also handled two positions, playing at the forward and center positions.

The "Rebel" team was hampered by fluctuations. Bob Klassen, Charley Brune and John Christophersen played with both the "Rebs" and the varsity. This hurt, for it made it hard for the team to work together as a solid unit.

Madison's freshmen basketball team finished their season with a 2-8 record, downing Jefferson and Lincoln while losing to the other eight clubs in the city.

Bob Basaraba led the team in both scoring and rebounding. Coach Bill Wiitala termed this team one of the most dedicated he has ever coached. Team members practiced before school at 7:00 a.m. every morning and those ballplayers who stayed out for basketball exemplified the desire that characterized the team, and brightened the outlook for next year's "Rebel" and Varsity team.

Dick LeBrun captained the frosh basketball team. This year's ball club was also hampered by a lack of height and knowledge of basic fundamentals. Green ball-handling contributed to several losses. There are many who feel the grade school program in the Madison district is not as competitive nor as emphasized as in some of the other areas of the city. The difference was clear in freshmen losses to Grant and Roosevelt by lopsided scores.



Randy Stansbery puts up free throw.

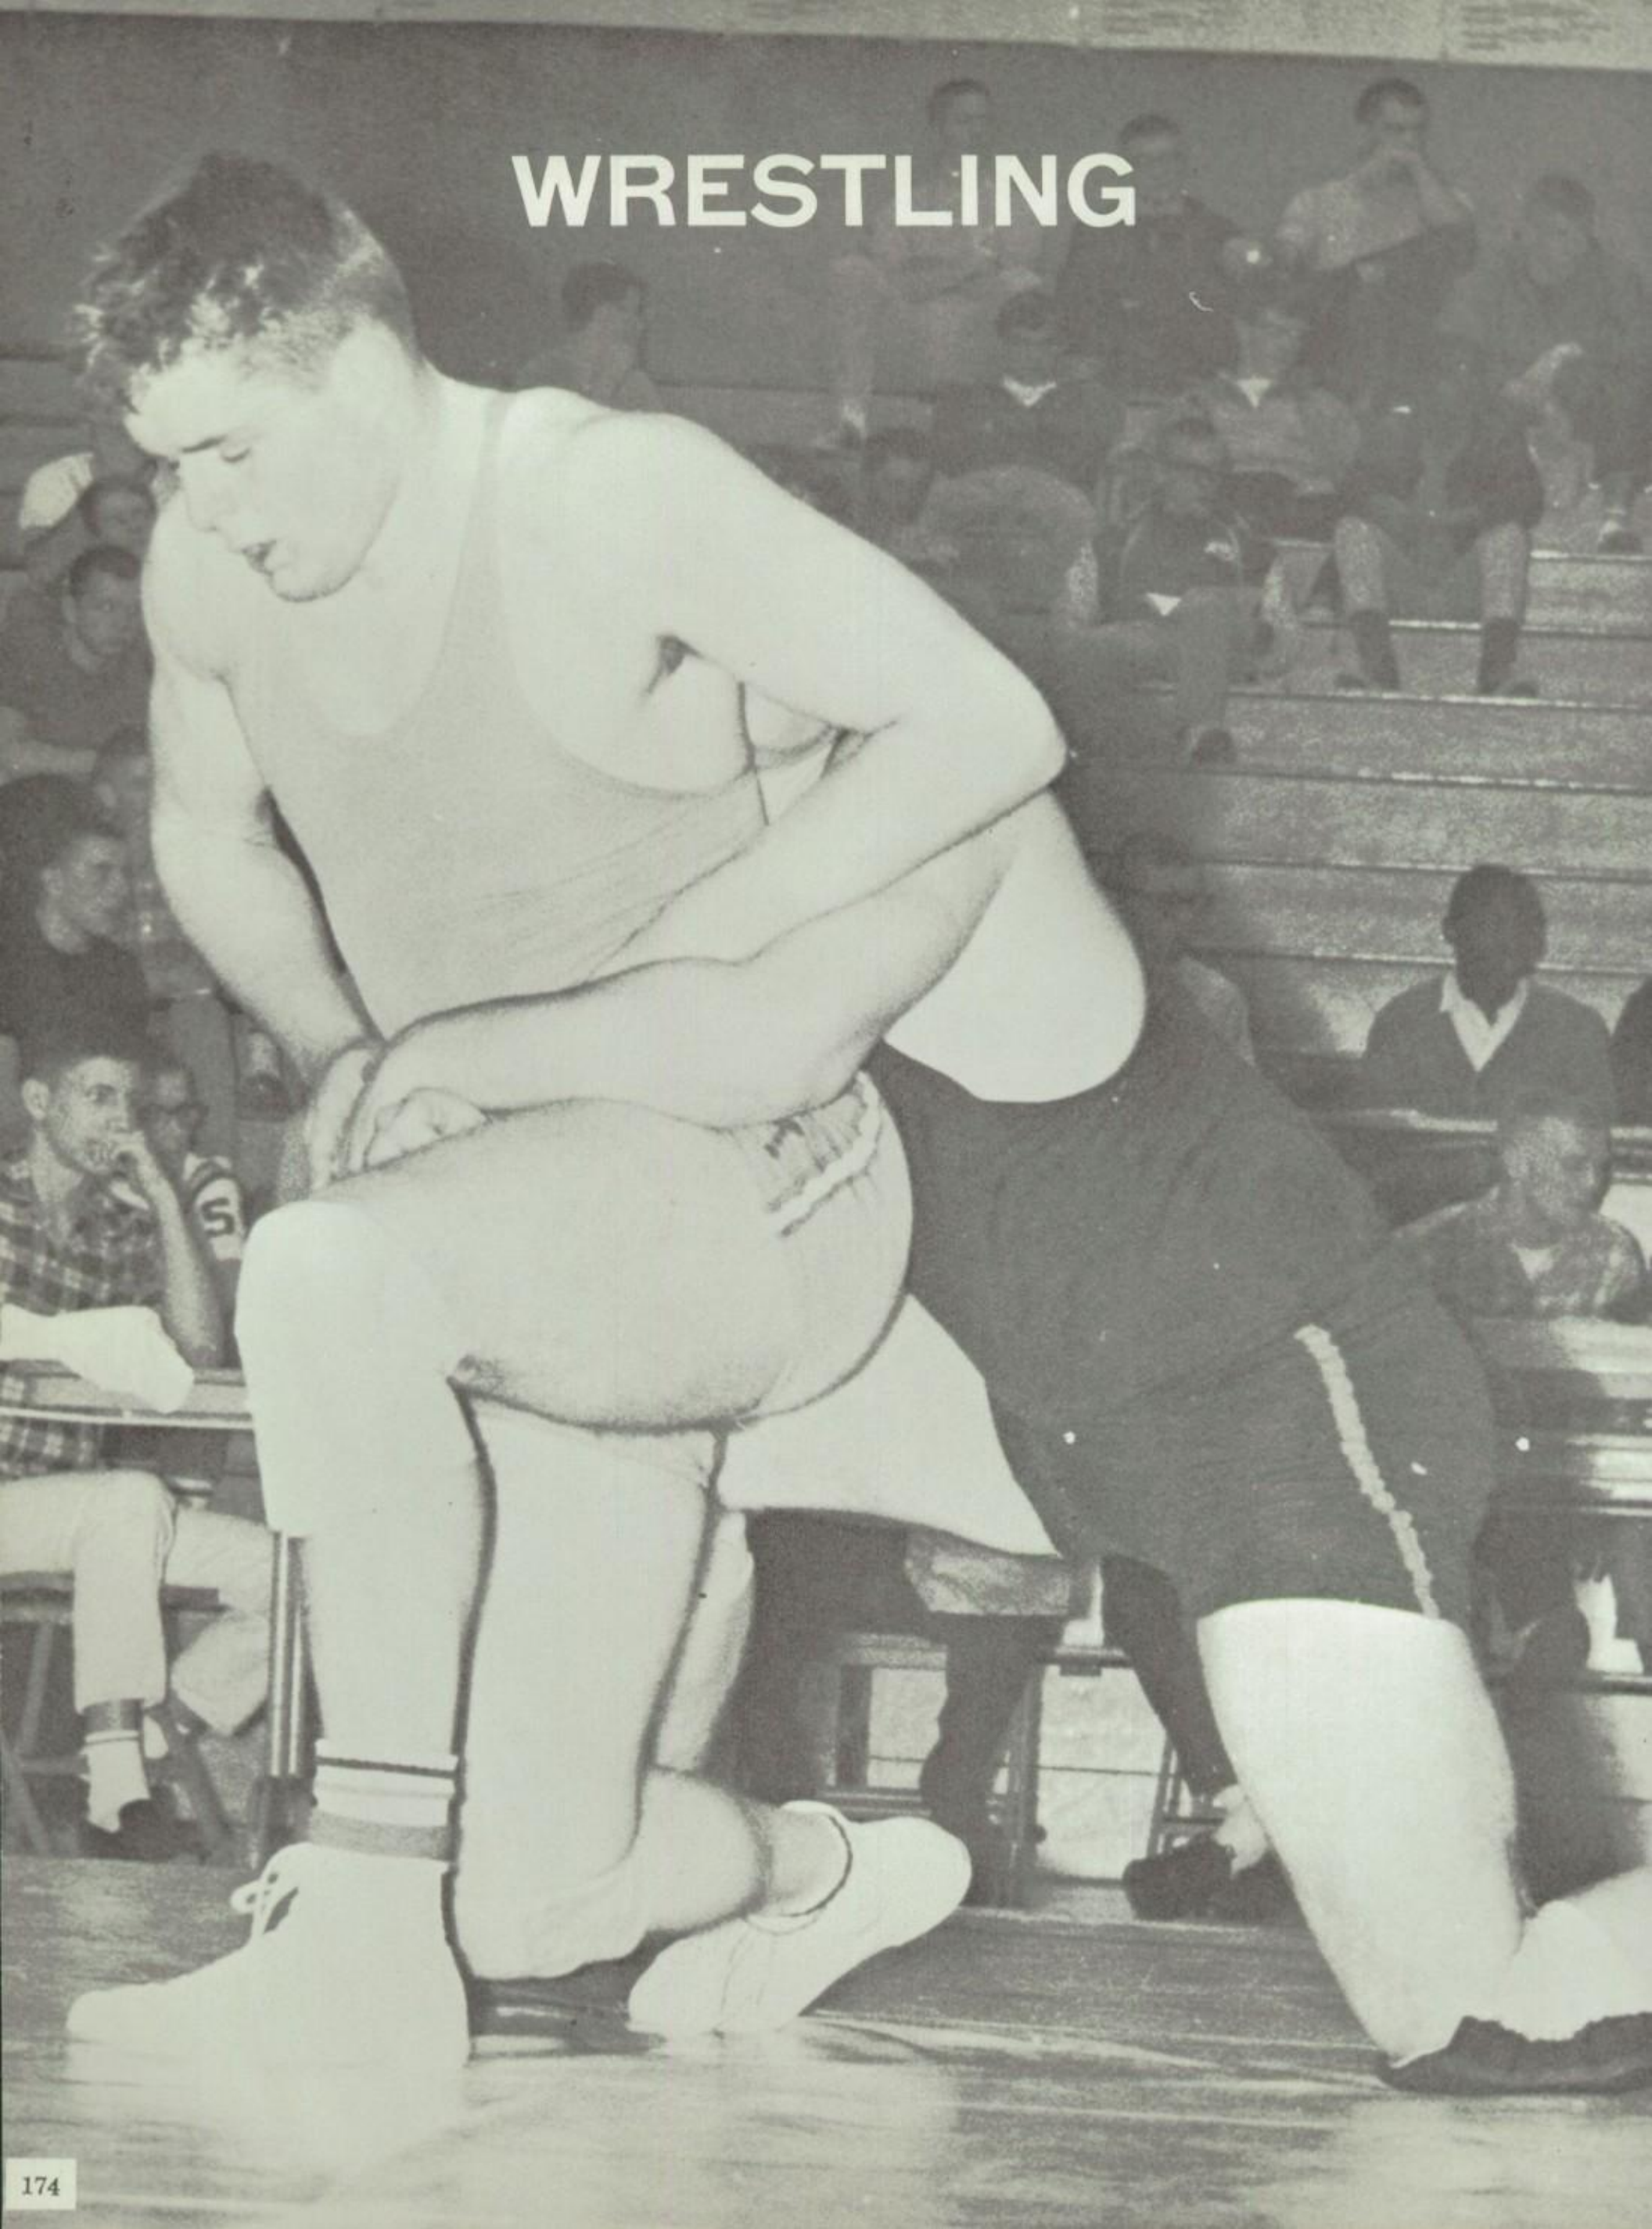
WRESTLING



Wrestling Qualities Many

Wrestling is a stimulating individual sport requiring physical strength, quick reflexes and being able to think under pressure. A good wrestler possesses experience and many hours of practice in developing certain techniques to perform moves and counter moves. A wrestler also has a thorough knowledge of many operations and knows how to carry out every one perfectly. Madison has always been very good in wrestling and so we have developed a tradition which gives upcoming wrestlers "spirit." Being a wrestler is much more than just doing exercises. In the following pages are some exciting and descriptive pictures of some of Madison's wrestlers in actual combat. These pictures show the wrestlers in the beginning of their move or they have just finished it and have won the match. Wrestling fits in with the words Caesar once said, "vini, vidi, vici" (I came, I saw, I conquered).

Varsity Wrestlers

The varsity wrestling team finished the 1965 season in a third-place tie with Franklin. In pre-season matches, the Solons lost three matches by one point and this was the margin between possibly winning a PIL championship and a third place finish. At season's end Glen Post and Marlin Grahn were recognized with the outstanding wrestlers award which was presented at the winter sports banquet. Bud Rogers, a 98-pound freshman wrestled varsity, and represented Madison in the state tournament. He is expected to continue to be one of Madison's top wrestlers. The city tournament at Grant March 4, 5, and 6 saw the Generals take the title with Marshall second and Madison third. In the state meet, held at Gill Coliseum in Corvallis March 12 and 13, heavyweight Glen Post took third and Bud Rogers finished fourth. Marlin Grahn, an outstanding grappler, who wrestled last year in the shadow of one of Madison's greatest wrestlers, Jeff Batchelor, won the city title at 136 pounds and also wrestled at state.

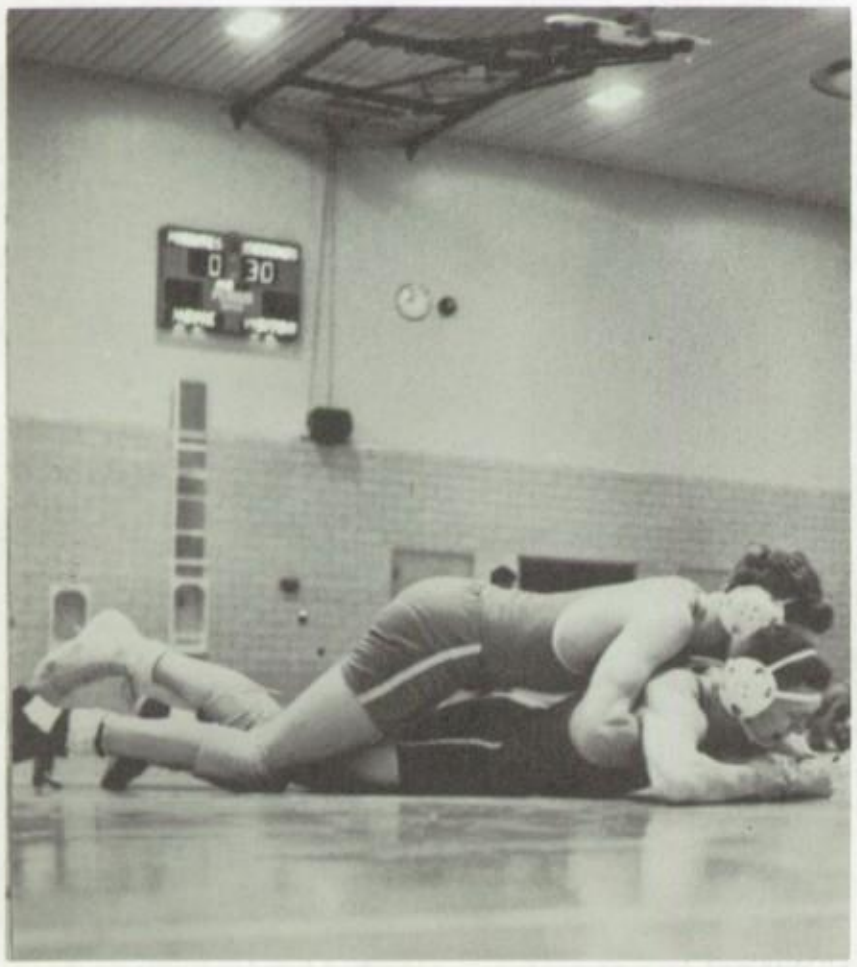
'Rebs' Complete Good Season



Larry Dixon struggles to avoid pin in this match.

The 1965 junior varsity "Rebel", wrestling squad, under the leadership of coach Russel Walker, finished the season in fourth place. This year's outstanding competition came from three perennial wrestling champs in Grant, Marshall and Wilson.

Coach Walker felt that the team did a good job and each participating wrestler exhibited the attributes of a dedicated athlete. There were many participants out for wrestling and coach Walker felt the outlook for next year was promising. Outstanding "Rebel" wrestlers were Chuck Zeigler, who wrestled both for the "Rebels" and varsity, sophomore Randy Senner, who wrestled in the 106-pound weight class and finished fourth in the city tournament. Other promising grapplers were Mike Smith and Mark Gage.

Previous to the opening of the PIL season the "Rebs" defeated Lebanon, Parkrose, David Douglas, and won the Tillamook invitational tourney.

Madison's freshmen wrestling team collected an outstanding 14-0 record taking first place in the PIL and winning the city title. The highlight of the year came when the frosh won the Great Invitational Tournament. Nine members of the team won their matches to give the Solons an overwhelming victory.

Coaches Bill Olsen and Dick McClain commended the entire team for their effort. Being able to take the punishment and the long hours of practice that a wrestler must endure requires a great amount of courage and ambition. Those boys who helped post a 14-0 record exhibited this. Both coaches felt that the boys who stay with the sport next year will help the varsity squad, while they advance in technique and skills.

Roumagoux Heads Thinclads

The 1965 varsity track and field team coached by newcomer, Lynn Romagoux, finished the season in the middle of league standings. Competition began with wins over Washington by a 109-21 score and Franklin by a 72⅓-55⅔ margin.

The city relays, held at Madison April 16, were dominated by the Grant Generals who set three new meet records. They set a new state record for the mile with a time of 3:22.9. As host team, the Senators were sparked by distance runners Doug Tonn, Dean Tonn, Wayne Fuller, and Mike Sulan. Most outstanding distance runner was miler Jim McDowell who ran a 4:28.0 mile. Highlighting the sprints and short distance running were seniors George Eastman, Bill Passmore, and Lynn Pribbernow. Those outstanding in the broad, and high jumps were senior Dave Sewell, and juniors Chris Larsen, Don Hart, and Rick Metgzer. Junior Charlie Brune was featured in the pole vault, and in the weight divisions John Hart and Glen Post added valuable points with their shot put and discuss skills.

Coach Romagoux replaced Roger Mockford who moved to Portland Community College last fall.

'Rebel', Frosh Track

Jeff Kline leads pack in 440 relay.

Coached by Warren Bolin, the junior varsity track team at press time, had won five of seven meets. The Senators downed Centennial 70-52, Washington 108 2/3-13 1/3, Franklin 73 1/3-47 1/3, Roosevelt 101 1/2-20 1/2, and Cleveland 64 2/3-56 1/3. Losses came in triple meets with Marshall and Jefferson and Benson and Wilson. The Solon thinclads finished no worse than second though, the scores reading as follows: Jefferson 73 1/2 Madison 50 9/10 and Marshall 19; Wilson 78 9/10 Madison 50 9/10 and Benson 21 1/5.

In the junior varsity city relays held at Madison April 15, Madison finished fifth. Taking fifth place in the mile relay the team of Tom McNicholas, Brad Lynott, Ted Henry and Jim Posten broke the school record of 3:55 by 7-seconds, turning in a 3:48 time. The team of Chuck Ziegler, Dave Fiskum, Scott Oja, and Greg Wilkes eclipsed the old school mark of 9:13 in the two mile, by turning in a 9:03 clocking.

With a good crop of distance runners up from the junior varsity, next years varsity team would seem promising.

The freshmen track team of 1965 finished the season in the middle of the league. Coach John O'Donnell headed the freshman track team. There were a number of freshmen who were outstanding. Dick Le Brun was the most outstanding short distance runner. Dick ran in all short distance runs and in the 100 yard dash was completely unbeaten. Dick Le Brun along with a team of Ross Wright, Stan Terba and Gary Pribbernow won the 440 and 880 relays in the P.I.L. city relays at Madison. Jeff Williams won the city relays in the pole vault event with a clearance of 8'6". The city relays were held at Madison on April 19 with the freshmen taking fourth place with 36 points. Jim Ouchi followed in the foot prints of John Hart in the discus. Ouchi was the most outstanding freshman discus thrower and will be tough competition next year. During other meets the freshmen won over Roosevelt but lost to Franklin. As a whole the teams strongest point was the short distance runners.

Baseball: A Dynasty

In 1961 Madison won its first city championship. Since then it has dominated league play more than any other team in P.I.L. history. Four consecutive city titles and the last two years climaxed by state championships have established Madison as the perennial P.I.L. baseball champion.

Not only have the high school teams won championships, but so have the Babe Ruth and Little Leagues. Williamsport, Pa., Klamath Falls, Ore., Glendive, Mont., Bridgeport, N.J., these are the names of familiar cities to the followers of the Madison district's various baseball teams. In 1958 the Rose City Little League all-star team led by Rick Wise and Keith Lampard placed fourth in the Little League World Series held in Williamsport. The Babe Ruth all-star team of 1962 epitomized all endeavors when it finished second at the national tournament in Bridgeport.

Madison's fantastic record can be attributed in part to the coaching its Little League and Babe Ruth teams have received. Jack Shafer, Don Del Lashmutt, Ray Bennedetti, Stu Sausser, Dick Naylor and Irv Rohrs are a few who contributed the time and patience in developing the ballplayers who have led Madison to its remarkable record.

Bill Wiitala, in his four years as head baseball coach compiled an unbelievable 82-13 record, including the four city and two state championships that Madison has won. Coach Wiitala has also worked with some of the most noticeable and publicized ballplayers ever to participate in PIL play. Probably the most outstanding were Rick Wise and Keith Lampard, both graduates of 1963. Wise, an all-state pitcher, is now affiliated with the Philadelphia Phillies. Lampard, an all-state outfielder and notable pitcher, is a leading hitter on the University of Oregon baseball team and considered an outstanding "pro" prospect.

Dick McClain took over at the end of last season as head Solon baseball coach, replacing Wiitala who had stepped down. With the nucleus of last year's state championship team back, the 1965 Madison baseball team was favored by rival coaches to win the PIL championship. Insiders also felt the potential for a third consecutive state title was in the Solon lineup.

Senators Win 1st Half, Seek

Madison clinched the first-half PIL championship by making Lincoln its tenth consecutive victim by a 3-2 score, and continued its drive to an unprecedented fifth consecutive city title.

The Solon pitching staff went eight games without allowing an earned run. Their string of 55 scoreless innings was broken only when Grant was able to push across a single run in the first inning of its game. It was to no avail, however, as Madison went on to win 2-1 in an extra inning thriller.

Madison initiated the 1965 season with a 6-2 win over Franklin. The next game, a 3-0 whitewashing of Wilson by southpaw Terry Ley, was the beginning of seven straight shutouts for the Madison staff. The Solons downed Cleveland 1-0 in 10-innings, Washington 5-0, Roosevelt 2-0, Marshall 2-0 and Jefferson 3-0. The Senators also edged previously undefeated Grant 2-1 in 8 innings, and Lincoln 3-2 again in 8 innings to finish the first half with a 10-0 record.

Terry Ley led Madison hurlers with a 5-0 record and compiled an amazing .000 earned run average. Steve Chamberlain was also a five-game winner and compiled a brilliant .034 earned run average. Ley also notched the highest strikeout total in the PIL when he whiffed 18 Marshall batters.

The 1965 Senators also boasted a champion's infield and outfield. Behind the plate was letterman John Shafer, undoubtedly the best defensive catcher in the PIL. At first base was Curtis Heath who took over for the graduated Butch Linblad and contributed some clutch hitting and consistent fielding. Ken Walkington, All-City second baseman a year ago, filled the same position this season and proved again he was the best pivot man in the city. At short-stop was veteran and All-City candidate Hal Smith, who was also one of the leading hitters and an excellent fielder. Bruce Kannenberg took over third base for the departed Dave Schacher. Jim Higginbotham, Craig Montgomery and Denny Schneider platooned left field and big Dwayne Murray held down the right field job. Phil Bushman, a three-year letterman, and returning All-City outfielder continued in centerfield. Bushman also led the team in stolen bases and hitting, finishing the first half with a .390 average.

The Senators were easily the most seasoned team in the league. Steve Chamberlain, John Shafer, Ken Walkington, Hal Smith and Phil Bushman were veterans under the pressures of post-season playoffs and started on last year's championship team. This enabled Madison to be a ball club which was hard to beat when the chips were down. Both Hal Smith and Phil Bushman were starters on the state championship team of 1963. John Shafer, as a freshman, was also on this team as a reserve catcher.

Mads Dominate 2nd Half Play

Phil Bushman slides into second, breaking up double play.

At press time the Madison baseball team was well on its way to winning the city championship, despite their first loss in 17 games to Cleveland by a 4-2 score. In the second half Madison downed Franklin 5-0, Wilson 3-0, before being stopped by Cleveland. Terry Ley continued to handcuff P.I.L. hitters, extending his string of scoreless innings to 36 with a win over Wilson. In the Wilson game Ley fanned 18 hitters for the second time this season and virtually assured of himself a post-season honors. Steve Chamberlain absorbed the Cleveland loss for his first defeat of the season to give him a 5-1 record. Mike Dressler was the winning pitcher in the Franklin game. Terry Ley with his 6-0 record was also the winningest pitcher in the city.

The second half also saw a change in the Madison lineup, with Ed Watson replacing Curtis Heath at first base. Heath moved to third base and Bruce Kannenberg went to left field.

Boden Leads Senior Class

Senior class officers and their counselors work.

Our four years at Madison High were very enjoyable. Though oftentimes filled with trials and tribulations, they were four years that we will never forget. The class of 1965 started out to be the largest class in Madison's history, with 750 students, and we were the largest graduating class.

In the first few months of our freshmen year, we were as confused as any freshmen could be in any school. On October 6, 1961, we had our first class party. After the party we all attended the football game, where we provided the half-time entertainment. Our next task was to elect our first class officers. Pat Ewing, elected president, directed us in a very active year.

Our sophomore year was a blue-ribbon year for the class of '65. John Hart served as class president. The sophomore class sponsored the first after-game dance of the basketball season. The profits from this activity made our class the richest in the entire school. In the spring of that year, we placed first in the inter-class track meet.

In 1963 we embarked upon our third year in these hallowed halls. Hal Smith was class president. During the year our class sponsored the most successful after-game dance in several years. The Fury's provided the entertainment and the dance drew nearly 750 people.

In our final year we were quite busy. John Boden, senior class president, led us through our Senior Week, which was climaxed with our senior assembly entitled "From Madison With Lov," the Prom, Baccalaureate, and finally the end of our high school careers, Graduation.

SECRETARY

As secretary of the senior class, I attended all class meetings and recorded the minutes. It was also my responsibility to represent each member of the senior class and to promote ideas that would make the class of '65 the outstanding graduating class of Madison High School.

TREASURER

As treasurer of the senior class, I kept the accounts of the largest treasury recorded in this school. I worked in conjunction with the student store to keep an accurate record.

HISTORIAN

By holding the position of historian for the senior class, I was required to attend all meetingse of the senior class officers. I also kept an accurate account of the activities of the class and assumed willingly any responsibility I found to better the class of '65.

Underclassmen

Montgomery Leads Class

CRAIG MONTGOMERY
President

ESTHER CLAUSEN
Vice-President

The junior class cabinet holds an important discussion.

This year the members of the graduating class of 1966 totaled 619.

Class elections were held on the 25th of September. The first event sponsored by the juniors was a scholarship meeting, to which over one-third of the class was invited.

On the 30th of October the class sponsored the "Halloween Hop", after the Wilson game. Live music by the Cambridgemen helped make the dance a success.

This spring the junior class sponsored another dance, replacing the Spring Formal.

Thanks to the help of my cabinet members and our two counselors, Mr. Blake and Mrs. Holland, the year has been a success.

Sophomores

Gustafson Leads '67

JON GUSTAFSON
President

MITCH WOLFSEHR
Vice President

The graduating class of '67 has approximately 617 students and has a very high academic rating.

The Sophomore class was again distinguished this year, as in the previous year, by the replacement of conduct officers by 24 English delegates. The duty of these delegates is to promote a better understanding between the students and officers.

Also distinguishing the Class of '67 is a plaque honoring the outstanding athlete playing on the various rebel teams during the year. Those honored for their ability in football were Bob Clare and Bob Hoffman. Honored in cross-country was Don Scott, and in swimming was David Taber.

Counseling the Sophomores this year are Mr. Larry Keck and Mrs. Charlotte Winters.

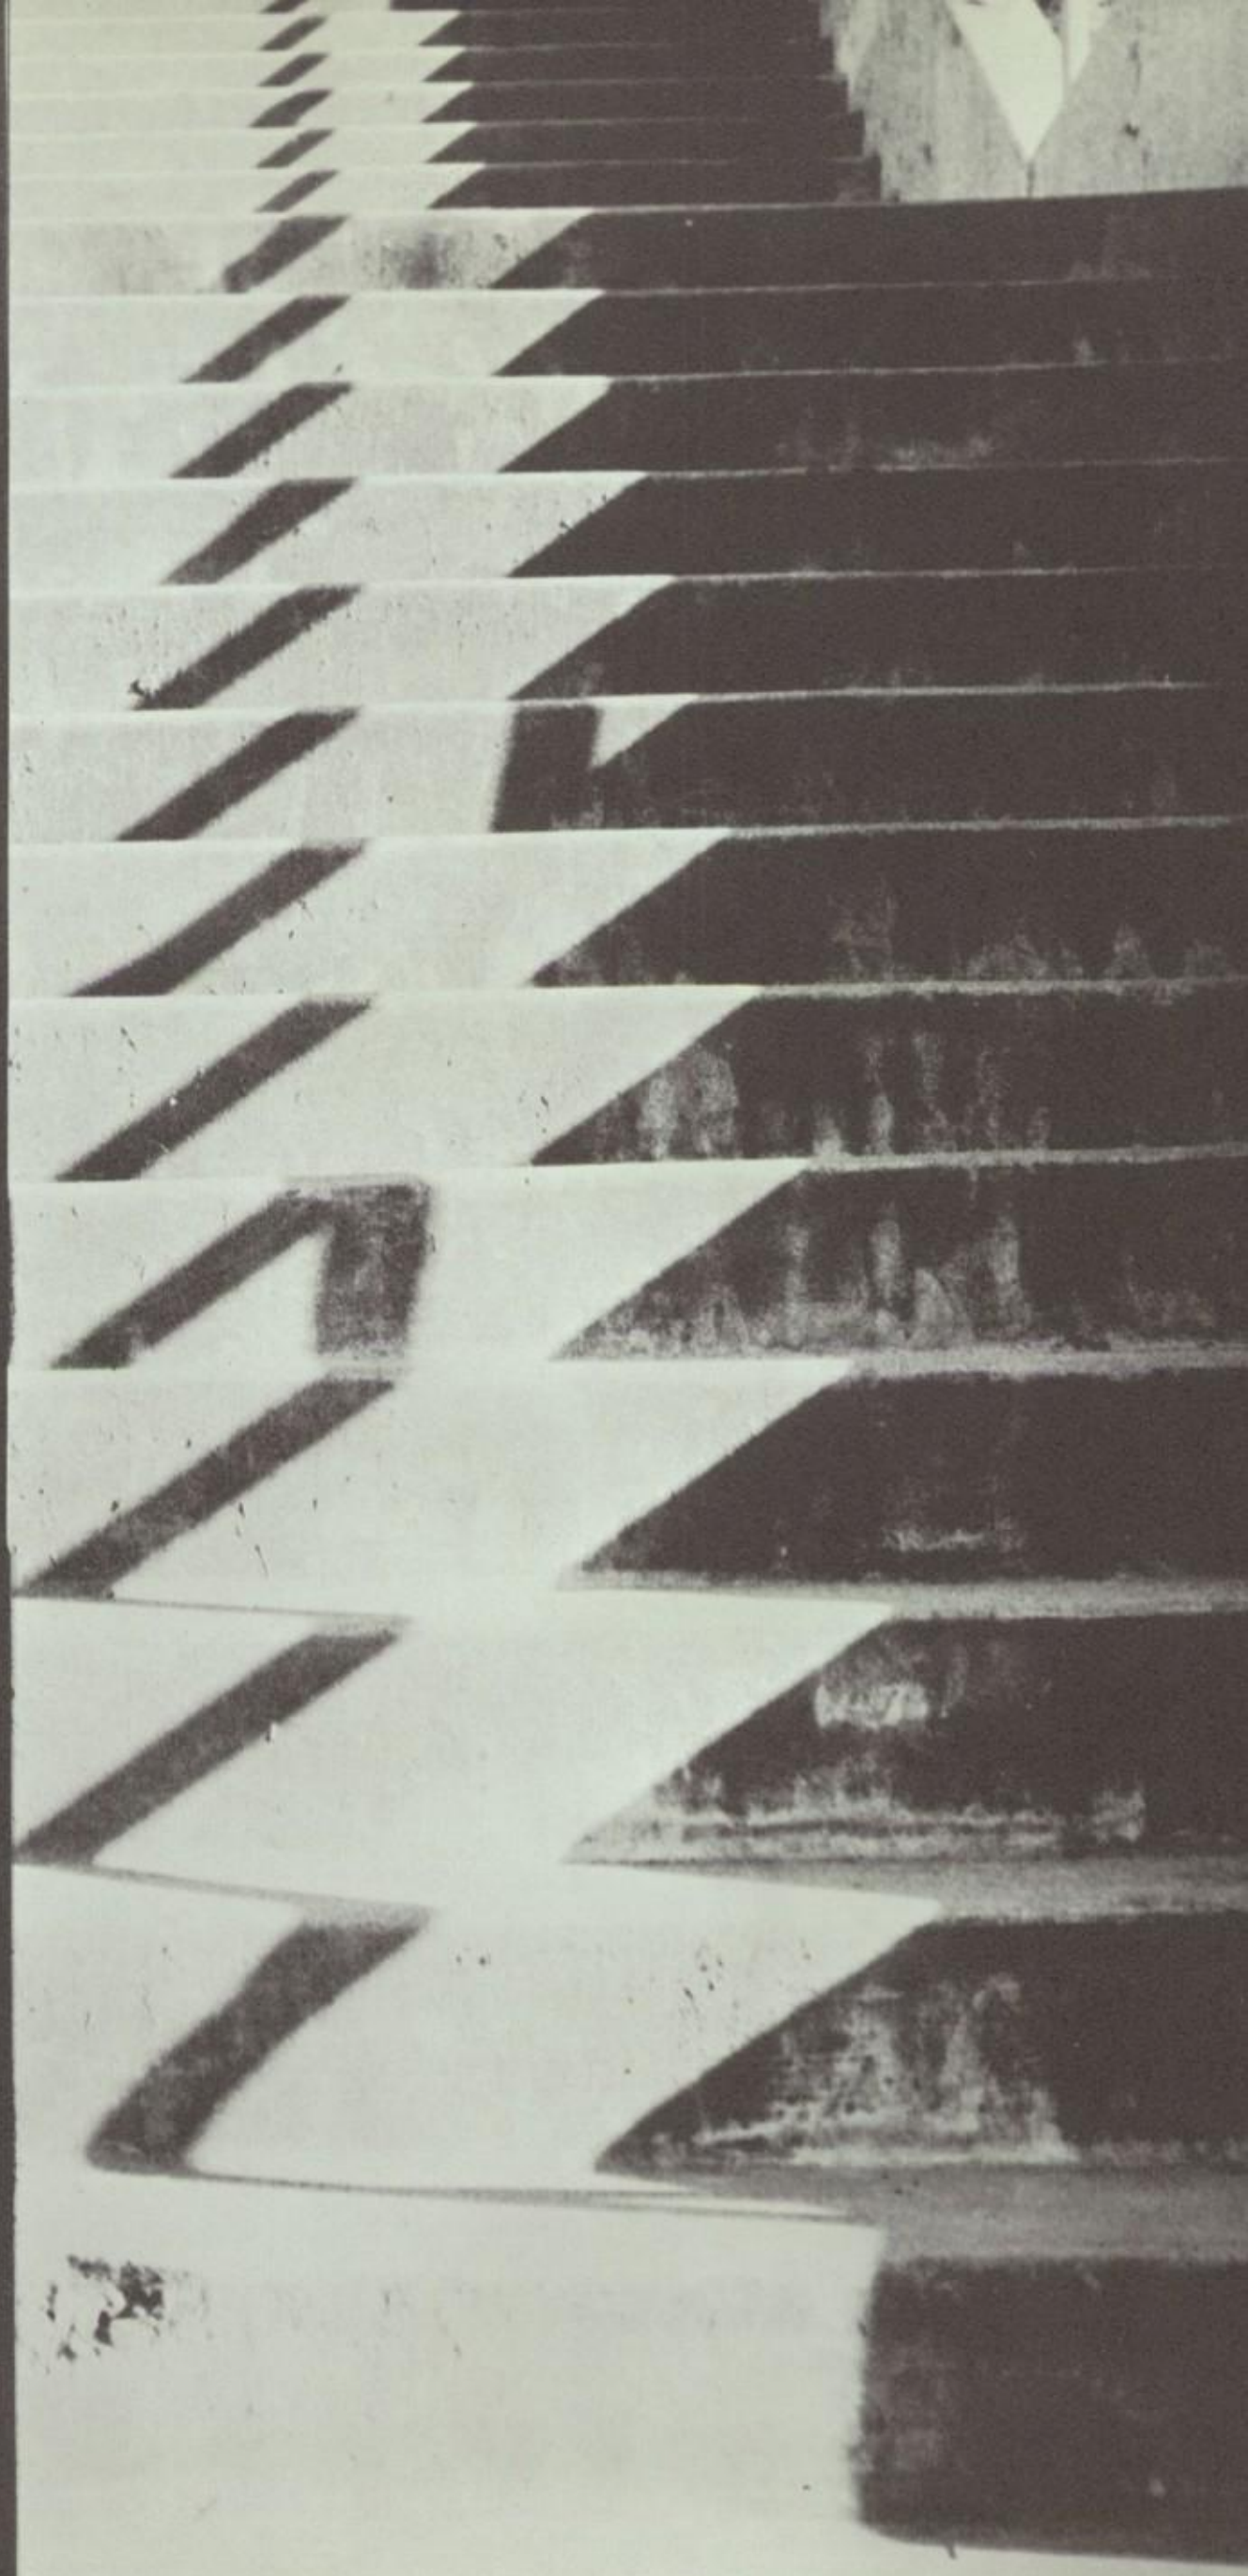
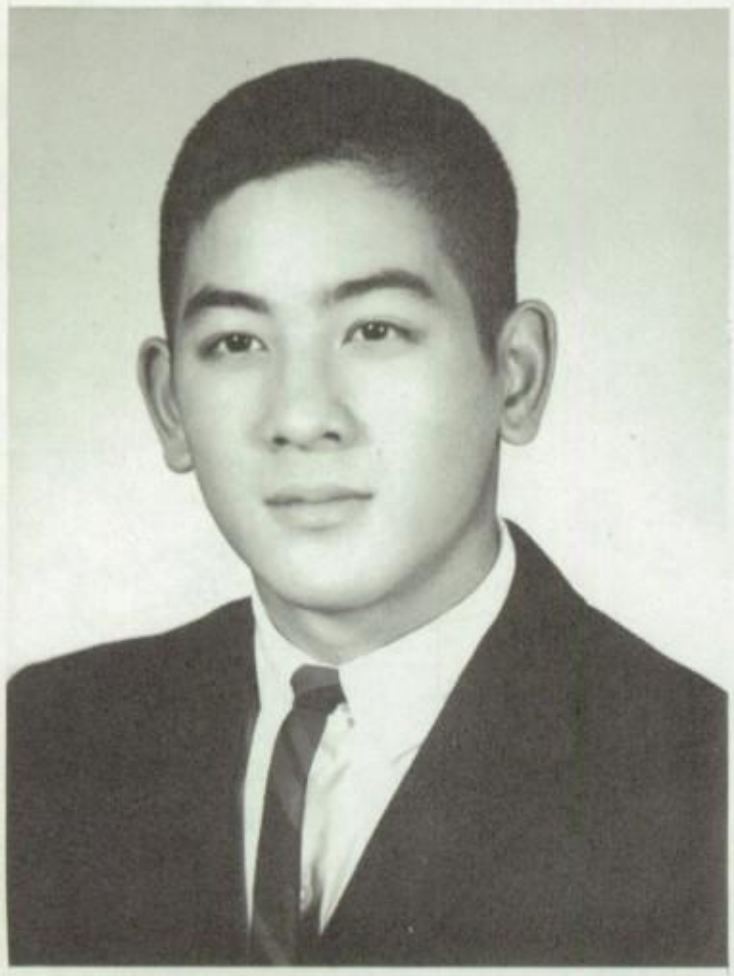
Freshmen



Ouchi Heads Class Of '68



JIM OUCHI
President

BOB BASARABA
Vice-President

On October 16 we held our first class party. After school the freshmen gathered in the cafeteria for games and dinner. Following dinner we attended the Madison vs. Washington football game and the after game dance. Our motto that developed through the party is "68 is really great".

After the first grading period the freshmen honor students were invited to the Smartee Partee sponsored by the National Honor Society. Approximately 110 students were eligible to attend. Such a large number seems to prove that the class of '68 has many able students. Freshmen participation in athletics has given encouragement to the coaches because of the large turnouts and the success in sports competition.

There is every indication that all members of the class of '68 will continue to participate and support the social, academic and athletic activities of Madison High School. Counseling the freshman class this year are Mrs. Auld and Mr. Taylor.

With the motto of their class being, " '68 is really great", the freshmen can be seen dancing at their first party.

Seen here are the Representatives of the freshmen class. First Row: Arlene Bender, Anita Clayberger, and Diana Bies. Second Row: Jenny Stricker, Terrie Sakelaris, Nancy Herzog.

One of the most exciting points of interest in Oregon is the Columbia River Gorge, as seen from Sam Hill Viewpoint 15 miles east of Portland on U. S. Highway 30 Scenic Route. The lush, green forests, blue water and basaltic headlands combine to form an appealing picture. Numerous waterfalls and state parks are in this same recreational region.

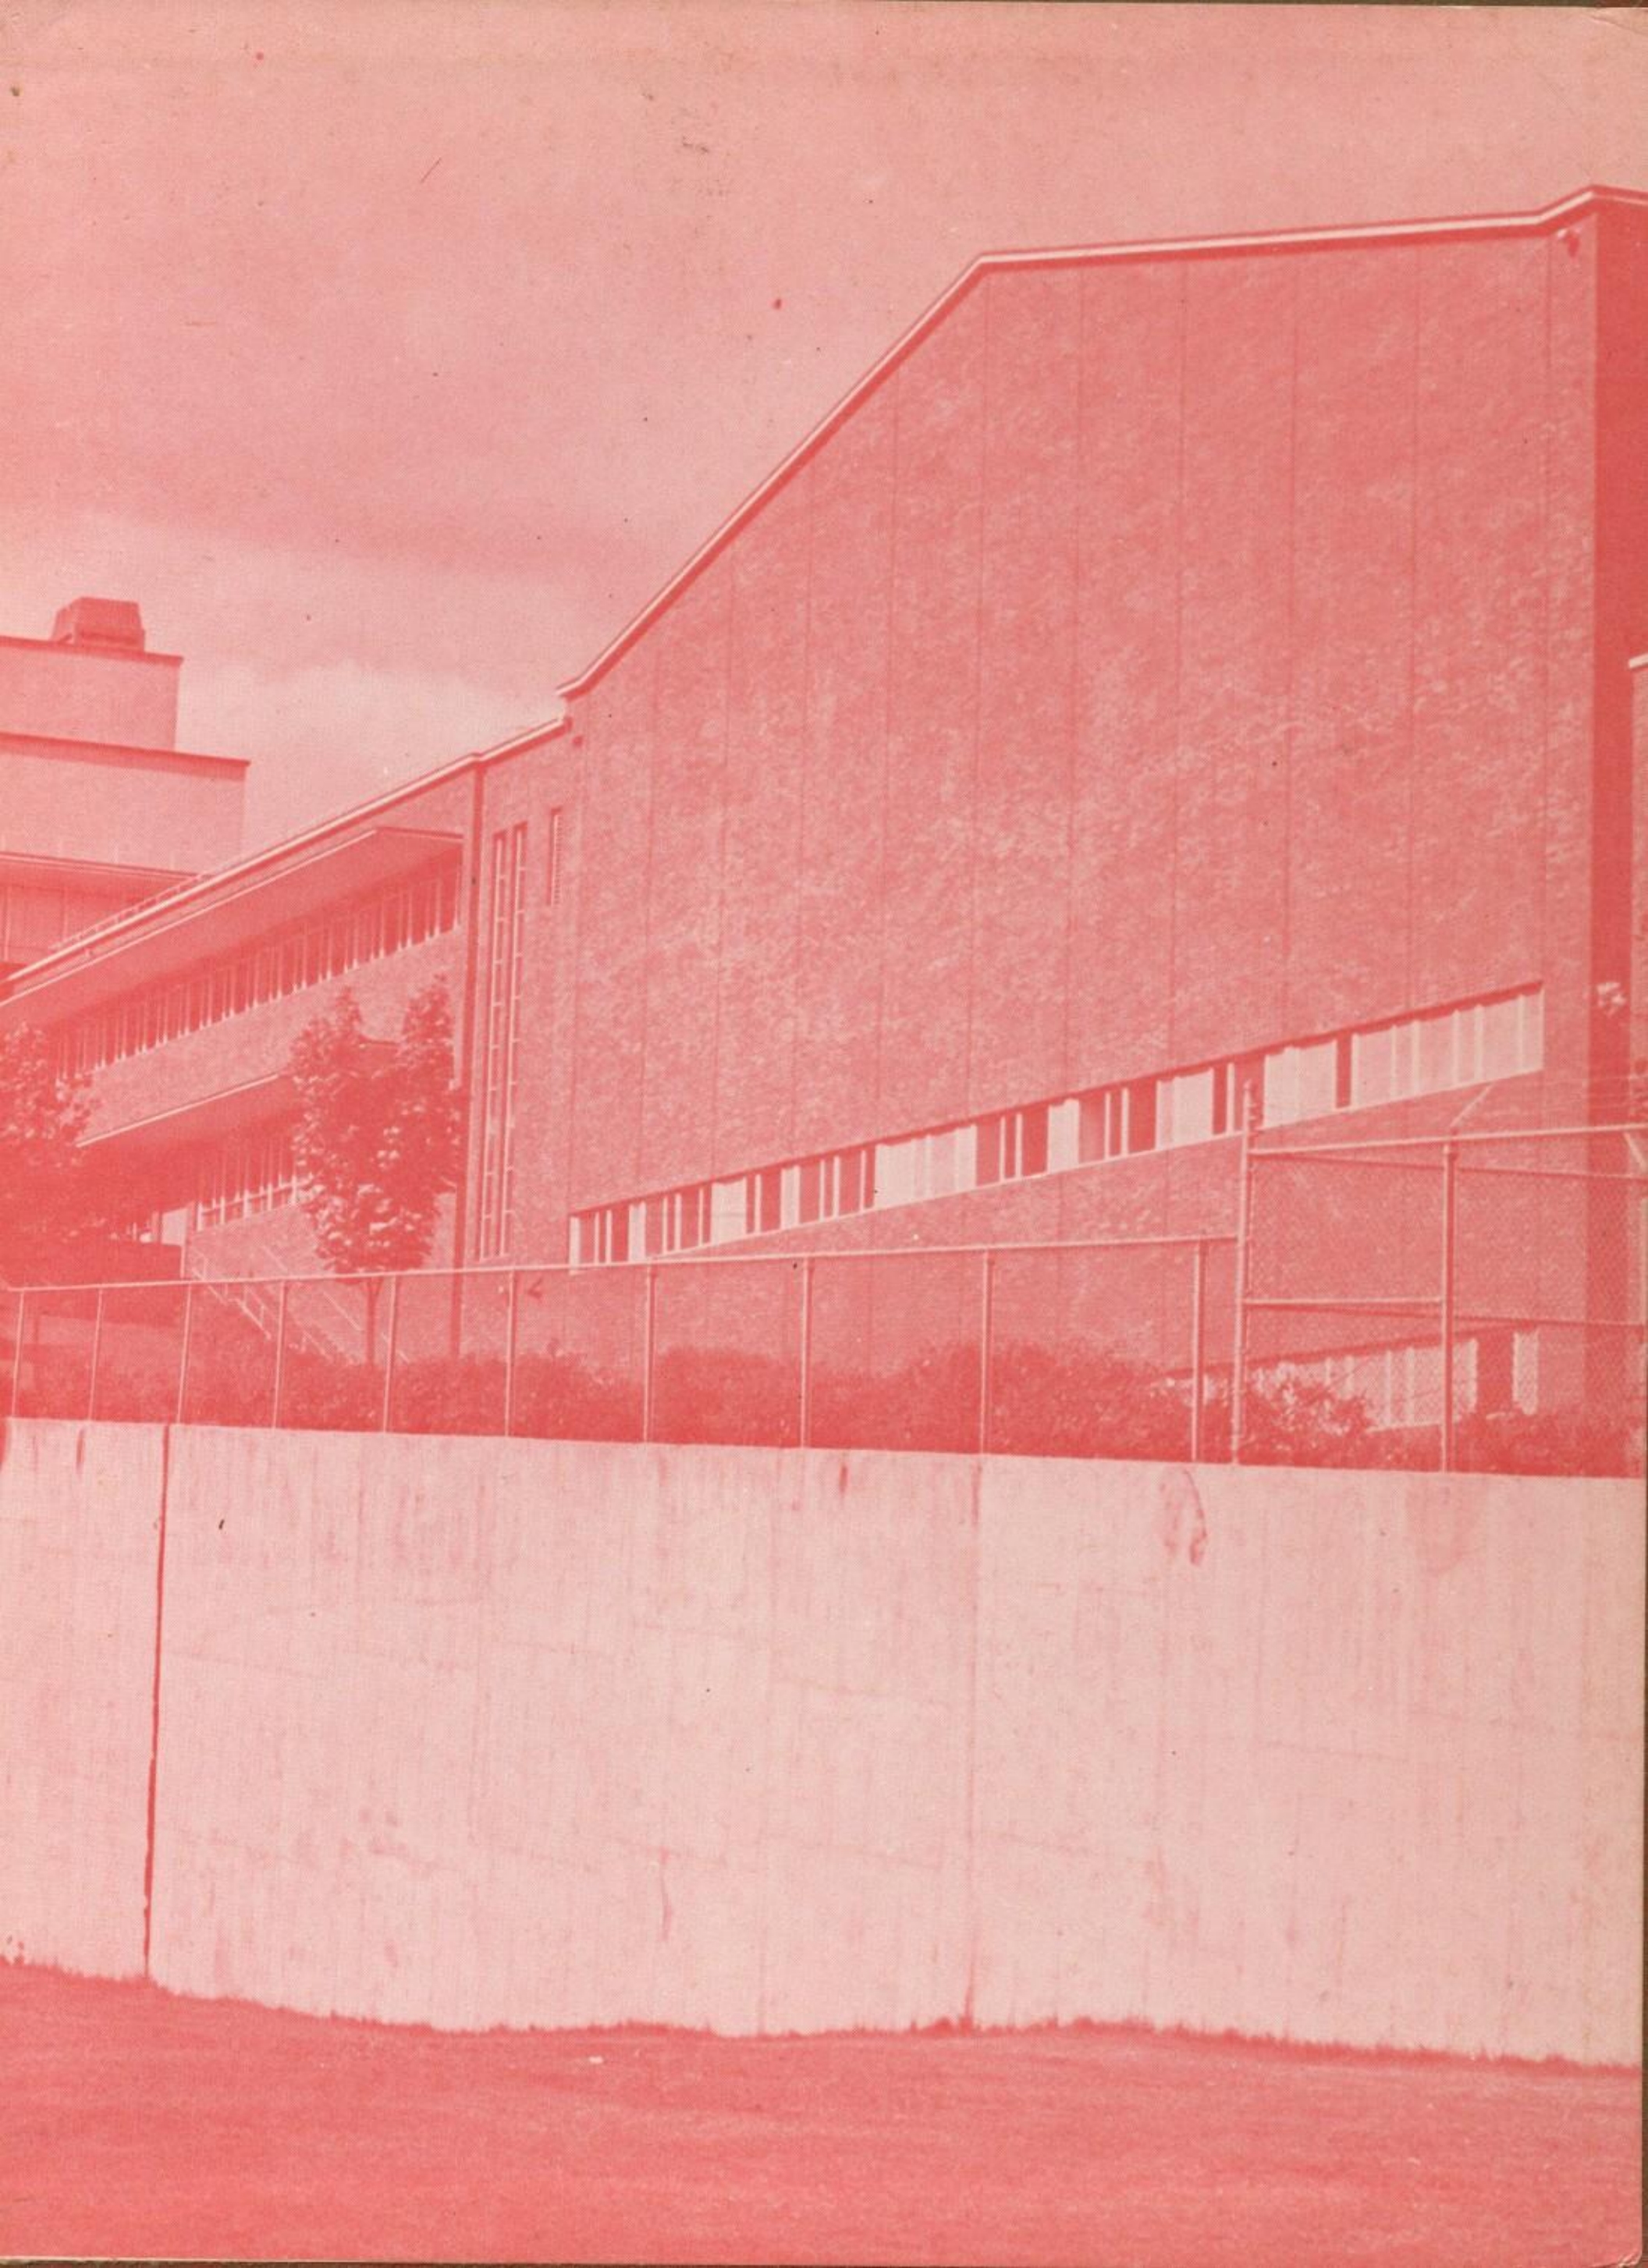
Look to this Day

Look to this day,
For it is the very life of life;
    In its brief course lie all the
Verities and the realities of your
Existence:
    The glory of action,
    The bliss of growth,
    The splendor of beauty,
    For yesterday is but a dream,
And tomorrow is only a vision,
    But today well lived makes every
yesterday a day of happiness,
And every tomorrow a vision of hope —
    Look well therefore, to this day —


Kitten,
Best of luck
and Happiness
hug you for me
hopefully. love
Jean
